Proceedings of the Madras Government, Financial Department,
10*th December* 1873.

Read the following papers :—

No. 83. From A. WEDDERBURN, Esq., President of the Local Fund Board, Coimbatore, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Coimbatore, 24th October 1873, No. 7.

As it is of essential importance to work out our transfer and other balances during the year I have the honour to request that the Revenue Board may be urged to dispose speedily of my references made by letters, Nos. 21 and 31, of 30th May and 30th July, respectively, and attention called thereto by telegram, dated 13th October 1873.

Letter from the District Engineer, No. 44, of 17th October 1873.

2. I reported* to Government how funds remained unexpended for want of the formal sanction of the Board—balances which attracted the unfavourable notice of Government and which suggested the idea of over taxation and surplus arising therefrom, whereas the stoppage of work and expenditure arose from the want of formal transfer sanction.

* *Vide* letter, No. 29, of 10th July 1873.

3. I receive reminders from the District Engineer for allotments sanctioned by the Local Board but am helpless owing to the above cause. Considering the importance of carrying out expenditure during the working season of sanctioned estimates, to which surplus funds have been allotted by transfer by the Local Board, I hope that this matter may receive the early attention of Government half the official year having already lapsed.

From Colonel J. BEAN, R.E., District Engineer, Coimbatore, to A. WEDDERBURN, Esq., President of the Local Fund Board, Coimbatore, dated Coimbatore, 17th October 1873, No. 44.

In reply to your letter of the 24th September 1873, No. 461, I have the honour to inform you that I have had to make a reference to the Collegal Range Officer. We can work out this year the allotments proposed for the Collegal roads in the Local Board's Proceedings of the 16th July last, also Rupees 1,150 to complete the trace from Dhimbum towards Talavady *via* Kodamhully, and Rupees 4,000 for the new road from Byloor to Luckenhully.

2. The season, however, is passing away, and, should large opening balances appear on the 1st April 1874, upon the retention of which Government animadvert in their Proceedings of the 18th June 1873, No. 864, Financial Department, this department should not be blamed for them.

Referred to the Board of Revenue for their remarks.
