No. 91. Proceedings of the Board of Revenue, dated 15th November 1873, No. 2323.

Read the following letter from H. SEWELL, Esq., Acting President of the Local Fund Boards, Cuddapah District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 23rd October 1873, No. 413:—

I HAVE the honour to request that you will submit, for the favourable consideration of Government, the enclosed resolution of the Cuddapah Local Fund Board regarding the appointment of a second Deputy-Inspector of Schools for this Circle. The range of the present Deputy comprises seven taluqs, which is more than one officer can properly supervise. It is proposed to divide the Range into two, giving four taluqs, Cuddapah, Proddatoor, Jammalmadugu, and Pulivendla, to a Deputy-Inspector on Rupees 100, and the other three taluqs comprising the Head-Assistant's Division, viz., Pullempett, Badwail, and Sidhout, to a Deputy-Inspector on Rupees 80.

ENCLOSURE No. 1.—Extract from Proceedings of Local Fund Board.

SUBMITTED for the favourable consideration of Government.

2. The Cuddapah Circle now has one Deputy-Inspector of Schools on Rupees 100 a-month, and the Local Fund Board propose to entertain another on Rupees 80 a-month. This is considered necessary by the Inspector.

(Signed) J. GROSE,
Secretary.

Referred for the opinion of the Director of Public Instruction.

2. Under G.O., dated 28th March 1873, No. 426, all charges on account of Deputy-Inspectors will fall on Provincial Funds from 1874-75.

No. 92. From E. B. POWELL, Esq., M.A., C.S.I., Director of Public Instruction, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 28th November 1873, No. 2383.

I have the honour to return the accompanying Proceedings of the Board of Revenue, No. 2323, of the 15th instant, with enclosure, referred to me for my opinion.

2. I feel quite clear that a second Deputy-Inspector of Schools should not be appointed to the Cuddapah Circle at present. Hereafter, when the number of children under instruction is largely increased, additional Deputy-Inspectors will have to be appointed all over the Presidency; but the time has not arrived for taking action of this nature.

3. It must be recollected that till lately there was but one Deputy-Inspector for the whole district of Cuddapah; in April 1872 the number of officers of that grade was largely increased, Cuddapah gaining the services of a second Deputy.

4. Referring to the table given at pages 2 and 3 of the Public Instruction Report for 1872-73, it will be seen that several districts have larger number of schools and scholars than Cuddapah; if then a third Deputy were to be assigned to Cuddapah, other districts would possess an undoubted claim to additional officers of that stamp. At this moment Ganjam with two races, Telugus and Ooriyas, has only one Deputy-Inspector, while it returned last year 241 schools with 5402 pupils against 347 schools and 6315 pupils for Cuddapah. I consider that Ganjam will before long imperatively require a second Deputy-Inspector, and I hold that even now its claims to a second Deputy are far stronger than those of Cuddapah or any other district for a third officer of that grade.

No. 93. ORDER THEREON, 10th December 1873, No. 1798.

The report of the Director of Public Instruction will be communicated to the President of the Cuddapah Local Fund Boards through the Board of Revenue.

To

THE CHIEF SECRETARY TO GOVERNMENT,

SIR,

I have the honor to return the accompanying Proceedings of the Board of Revenue No. 2,323 of the 15th instant, with enclosures, referred to me for my opinion—

2 I feel with the Board of Revenue that a Deputy Inspector of Schools should not be appointed to the Cuddapah Circle at present. Hereafter, when the number of children under instruction is largely increased by addition of Deputy Inspectors will have to be appointed over the Presidency; but the time has not arrived for taking action of this nature.

3. It must be recollected that till lately there was but one Deputy Inspector for the whole District of Cuddapah; in April 1872 the number of officers of that grade

grade was largely increased, Cuddapah
gaining the services of a second Deputy.

4 Referring to the Table given at
pages 283 of the Public Instruction Report
for 1872/73, it will be seen that several Dis-
tricts have larger number of schools and schol-
lars than Cuddapah; if then a third Deputy
were to be assigned to Cuddapah, other
Districts would possess an undoubted
claim to additional officers of that Class.
At this moment, Ganjam, with two races
Telugus and Oriyas, has only one Deputy
Inspector, while it returned last year 241
schools with 5,402 pupils against 347 schools
and 6,315 pupils for Cuddapah. I
consider that Ganjam will before long
imperatively require a second Deputy In-
spector, and I hold that even now its
claims to a second Deputy are far stronger than
those of Cuddapah or any other District
for a third officer of that grade.

I have the honor to be,
Sir,
Your most obedient Servant,
