No. 129. Read the following Proceedings of the Board of Revenue, dated 6th December 1873, No. 2497 :—

Read the following letter from J. B. PENNINGTON, Esq., President of the Local Fund Board, Trichinopoly, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 28th November 1873, No. 52 :—

On a suggestion made by me that the Trichinopoly and Srirangam Municipalities are entitled to a contribution from Local Funds in aid of the contribution of their new dispensary buildings, the Local Fund Board resolved, as the Board of Revenue will observe from the enclosed extract of their Proceedings, that one-fourth of the cost of both these dispensaries should be defrayed from Local Funds.

2. With reference to the above Resolution the Commissioners for the town of Srirangam have come forward requesting that a sum of Rupees 2,000 may be advanced to them on *emergency*, subject to final adjustment, and stating that their dispensary and hospital buildings are in course of rapid construction at an estimated cost of Rupees 8,600 ; that the further progress of these works is likely to be retarded from want of funds; that considerable difficulty is at present experienced for want of accommodation for in-patients; and that it is, therefore, imperatively necessary that the buildings under construction should be completed at as early a date as practicable.

3. The Local Fund Board, fully recognising the importance and urgency of the Commissioners' requisition, resolved, as the enclosed extract of their Proceedings will show, that the amount applied for be paid subject to the approval of the Board of Revenue and Government.

4. Considering the *emergent* nature of the Commissioners' application, and looking to the necessity that exists for the speedy completion of the dispensary building and the hospital wards, more especially on account of the approaching annual festival at Srirangam, which commences on the 20th proximo, during which several thousands of pilgrims from different parts of India assemble at that town, I have, in anticipation of sanction, paid the amount to the Commissioners, *as a special case*, from the General Fund Reserve.

5. I confess that I have, in making this payment, transgressed the Rule LXVII.-A.* of the Local Fund Rules, and I beg to submit that in doing so I was entirely guided by the peculiar circumstances of the case, and I confidently trust that the Board and Government will be pleased to treat the payment in question as an exceptional case and accord their formal sanction to it.
