Proceedings of the Madras Government, Financial Department,
16*th December* 1873.

No. 133. Read the following Proceedings of the Board of Revenue, dated 26th November 1873, No. 8114 (Miscellaneous):—

Read the following letter from W. S. WHITESIDE, Esq., President of the Local Fund Board, North Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Chittoor, 14th November 1873, No. 702:—

With reference to the Proceedings of Government, Public Department, No. 960, dated 17th September last, ordering the withdrawal of all Hospital Assistants from the sole or chief charge of a dispensary, I have the honour to submit that the Local Fund Board of the Chittoor Circle have recorded their opinion, at their last meeting held on the 11th instant, that no medical attendant other than a native of caste should be appointed to be in charge of the Devastanum Dispensary at Tripathy, in consideration of the medical attendant being paid by the Mahaut or Trustee of the Tripathy Pagoda from the Pagoda Funds. If an East Indian or a low-caste native be posted to it, he cannot, under the existing Orders of Government, ascend the Tripathy Hill where his services may be absolutely necessary during the annual festival in view to carry out and supervise the usual sanitary arrangements. Tripathy is, as the Board are aware, one of the chief places of pilgrimage of the Hindoos from all parts of India, and religious mendicants who congregate there from different parts of the country and who always feel an aversion to medical aid tendered them by an East Indian or low-caste native medical officer, I, therefore, request that the Government will be pleased to order, as a special case, that a caste native medical attendant shall be in charge of the Tripathy Dispensary.

SUBMITTED for the favourable consideration of Government.

Communicated to the Surgeon-General, Indian Medical Department.

2. The Governor in Council recognises the exceptional position of the Tripathy Dispensary and observes that Dr. Balfour has arranged specially for the Tripathy Dispensary. It is of course understood that the medical attendant's services are available for patients of all castes.

SIR,

With reference to the Proceedings of Government Public Department No. 960 dated 17th September last ordering the withdrawal of all Hospital Assistants from the Sole or chief charge of a Dispensary, I have the honor to submit that the Local Fund Board of the Chittoor Circle have recorded their opinion at their last meeting held on the 11th instant that no Medical attendant other than a Native of Caste should be appointed to be in charge of the Devastanum Dispensary at Tripathe in consideration of the Medical attendant being paid

by the Mahant or Trustee of the Tripathe Pagoda from the Pagoda funds. If an East Indian or a low caste native be posted to it, he cannot, under the existing orders of Government, accord the Tripathi Hill where his services may be absolutely necessary during the Annual festival in view to carry out and Supervise the usual Sanitary Arrangements. Tripathe is, as the Board are aware, one of the chief places of pilgrimage of the Hindoos from all parts of India and religious Mendicants who Congregate there from different parts of the Country and who always feel an aversion to Medical aid tendered them by an East Indian or low caste Native Medical Officer. I therefore request that the Government will be pleased to order as a special case that a Caste Native Medical Attendant shall be in charge of the Tripathe Dispensary.
