Proceedings of the Madras Government, Financial Department,

17th December 1873.

No. 145. Read the following Proceedings of the Board of Revenue, dated 10th December 1873, No. 8460 (Miscellaneous):—

Read the following letter from H. E. SULLIVAN, Esq., President of the Local Fund Boards, South Arcot District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddalore, 4th December 1873, No. 460:—

In the Supplemental Budget of the current year, Item No. 1 is the metalling of the road from Poodoochuttrum to Porto Novo, with an allotment of Rupees 6,000. For this work I now submit an estimate, amounting to Rupees 14,000, for which I request that the sanction of Government may be obtained.

2. The distance between the two ports of Cuddalore and Porto Novo, which are both centres of trade, having each a large resident mercantile community, is twenty-one miles. For seventeen miles from Cuddalore to Poodoochuttrum there is a splendid road, but over the four miles between the latter place and Porto Novo the track lies through heavy sand. As the metalling of this insignificant break in the communication between the two towns is a work of emergency, I have, in view to the utilizing of this year's allotment, availed myself of the provisions of Rule 42, and directed the Public Works Department to commence on it at once.

3. The estimate would be high were it not that every yard of the ballast has to be carted over sixteen miles to Poodoochuttrum and four miles beyond.

The estimate is submitted for the sanction of Government.
