Proceedings of the Madras Government, Financial Department,
20th December 1873.

No. 176. Read the following letter from G. VANSAGNEW, Esq., President of the Local Fund Board, Nellore, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Nellore, 11th December 1873, No. 1050 :—

Adverting to paragraph 2, G. O., Public Department, dated 3rd instant, No. 1246, which has been communicated to me as President of the Municipal Commission, I have the honour to beg that Government will take no action towards ousting Mr. Nipps from the Ongole Dispensary without allowing the Local Fund Board a voice in the matter.

2. Whatever the records of the Surgeon-General's office may show about Mr. Nipps I can vouch for it that he is capable of very hard work and that he has made the Ongole Dispensary a much more popular institution than either the Nellore Dispensary or its branch. He understands the language and the people, and I am satisfied that the Local Fund Board might go farther at double the cost and fare worse.

No. 177. ORDER THEREON, 20th December 1873, No. 1864.

Communicated to the Surgeon-General, Indian Medical Department.

2. The Government have already ordered that Mr. Nipps be not disturbed without special orders of Government.
