Proceedings of the Madras Government, Financial Department,
20th December 1873.

No. 184. Read the following Proceedings of the Board of Revenue, dated 12th December 1873, No. 8535-Z (Miscellaneous):—

Read the following letter from W. McQUHAE, Esq., President of the Local Fund Board, Madura, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Madura, 24th November 1873, No. 140:—

With reference to Board's Proceedings, dated 13th October 1873, No. 7320 (Miscellaneous), I have the honour to state that no portion of the old Ramnad Jail buildings can be utilized for a dead-house. The building is in ruins, and has been a pig-house for many years, as stated in paragraph 2 of my letter, No. 65, dated 19th June 1873. I believe the building belonged to the Zemindar, and never was the property of Government, though it was used as a jail for some years. It is useless in its present state, and the Local Fund Board want the site rather than the remains of the buildings. The Native Surgeon thinks it very desirable, for sanitary reasons, that the proposed dead-house should be at some distance from the new dispensary. From this explanation I trust Government will see that they have made over no public buildings at Ramnad to the Local Fund Board.

Submitted to Government with reference to G.O., 13th October 1873, No. 1480.

2. The letter to which the Collector refers was disposed of in G.O., 1st August 1873, No. 1084.
