Proceedings of the Madras Government, Financial Department,
23rd December 1873.

No. 195. Read Budget Estimate from the Staff Officer and Superintendent of Details, Fort St. George, dated 24th November 1873.

No. 196. ORDER THEREON, 23rd December 1873, No. 1878.

The estimate of charges for His Excellency the Governor's Band for 1874-75 amounts to Rupees 9,343 against Rupees 8,210, the actuals for 1872-73, and Rupees 9,294, the grant for the current year.

2. The estimate includes the pay of the Band, Rupees 5,909; family allowances, Rupees 2,100; compensation in lieu of rice, Rupees 84; and subscription for music and cost of new instruments, Rupees 1,250.

3. It is observed that the actual expenditure under the last two heads in 1872-73 was only Rupees 228, and assuming that the large provision of Rupees 1,250 made in the estimate for the coming year on account of music and instruments is in excess of what will really be expended, the Government direct that the amount be reduced to Rupees 500. The estimate will thus stand at Rupees 8,593, for which it is passed for inclusion in the General Civil Budget for 1874-75.
