Completion

In the foregoing letter the President applies for allotments for certain works, &c., aggregating Rupees 5,955, to be provided from the Road Fund Reserve of the Tinnevelly Circle.

2. The only item that calls for remark is the annual contribution of Rupees 150 proposed to be made to the Tuticorin Municipality for the support of the public chuttrum at that place. Before submitting the proposal for the sanction of Government, the Board desire the President to explain the circumstances under which it has been deemed necessary to contribute the amount, and why it should be charged to the Road Fund.

3. The Accountant-General is requested to place at the disposal of the Public Works Department Rupees 5,805, which is exclusive of Rupees 150 noticed above.

4. The allotment now sanctioned includes a sum of Rupees 1,260 for the maintenance of Road No. V. from Palamcottah to Travancore *viâ* Nunganeri, which renders unnecessary a similar provision in the list of incomplete works of the circle, which will be disposed of shortly.

Read also the following letter from R. K. PUCKLE, Esq., President of the Local Fund Boards, Tinnevelly, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Nunnagaram, 27th October 1873, No. 577 :—

With reference to paragraph 2 of the Board's Proceedings, No. 6919, dated 13th October 1873, I have the honour to request that the Rupees 150 for the up-keep of the chuttrum at Tuticorin may be sanctioned out of the General Fund Reserve, and not out of the Road Fund Reserve as requested in my letter under reference.

2. The chuttrum in question is within municipal limits and close by the main road, but had for years been buried in sand. It has now been excavated and made fit for use, and an allotment is needed to keep it in order. The Municipal Fund is barely able to meet the heavy charges for roads and a new water project, and, as the chuttrum will chiefly be used by travellers from without the town, the Local Fund Board considered it fair to allot the required amount as a contribution.

---

Under the circumstances stated in the second of the foregoing letters, the Board resolve to request Government to sanction the proposed annual contribution of Rupees 150 from the General Fund of the Tinnevelly Circle to the Tuticorin Municipality for the support of the public chuttrum at that place.
