Proceedings of the Madras Government, Financial Department, 27th December 1873.

No. 222. Read the following Budget-Estimate of the Civil Engineering College, submitted by the Director of Public Instruction, Madras, dated 13th November 1873.

No. 223. ORDER THEREON, 27th December 1873, No. 1899.

The Budget-Estimate of the Civil Engineering College, hitherto incorporated with the Imperial Public Works Budget, is now separately submitted, the institution having been transferred to Provincial Services by the Resolution of the Government of India, dated 31st December 1872, No. 87.

2. The receipts are estimated at Rupees 4,000, and the charges at 42,032. The latter amount is in excess of the sanctioned estimate for 1873-74, and of the actuals of 1872-73, by Rupees 100 and 4,948, respectively, and there appears a marked increase over the actuals in the items, contingencies and stipends. In submitting the Budget the Director of Public Instruction should have explained these variations.

3. The actuals of the first six months of the current year show that the year's expenditure will not exceed that incurred in 1872-73. It is therefore not apparent why an excess of nearly 5,000 Rupees is estimated for 1874-75. The estimate is passed at the same amount as that sanctioned for the current year, viz., Rupees 41,930; but the Director of Public Instruction will report at an early date whether this estimate is not susceptible of reduction.

Rupees 18,037.

Read the following ~~letter~~ Budget Estimate of the Civil Engineering College, submitted thro' the Director Public Instruction Madras dated 13 Novr 1873.

Order thereon 27 Fr Dec. 1873. No. 1899.

The Budget Estimate of the Civil Engineering College hitherto incorporated with the Imperial Public Works Budget, is now separately submitted, the institution having been transferred to Provincial Services by the Resolution of the Government of India dated 31st December 1872 No. 87.

The receipts are estimated at Rs 4000 and the charges at 42032. The latter amount is in excess of the sanctioned

sanctioned Estimate for
1873/74. and the actuals of
1872/73 by Rupees 10044948
respectively and there
appears a marked increase
over the actuals in the items,
contingencies & stipends. On
submitting the Budget the
Director of Public Instr.
should have
explained these variations.

The actuals of the
first 6 months of the
Rs 18037 current year
show that the year's
expenditure will
not exceed that incurred
in 1872/73. why an excess
of nearly 5000 Rs is estimated
for 1874/75 this (not therefore)
apparent. The estimate
is passed at the same
amount as that sanctioned
for the current year - viz.
Rupees

Rupees 41930: but the
Director of Public Instruction
