No. 237. Read the following letter from the Acting Inspector-General of Police, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Madras, 13th December 1873, No. 4030 :—

With reference to paragraph 7 of G.O. of 6th December 1873, No. 1770, Financial Department, I have the honour to express regret that the estimate for the Police Medical Establishment received from the Surgeon-General was, through an oversight, not forwarded to Government with the budget.

2. I now forward the estimate, and beg to explain that the estimate for 1873-74 was based on the estimate for 1872-73, viz., Rupees 22,000, whereas the estimate for 1874-75 has been framed in accordance with the requisition of the Surgeon-General.

From Deputy Surgeon-General J. L. RANKING, Acting Surgeon-General, Indian Medical Department, to the Inspector-General of Police, dated Fort St. George, 29th September 1873, No. 5885.

As directed in paragraph 8 of Proceedings of Government, Financial Department, No. 1634, dated 7th December last, I have the honour to forward an estimate of charges debitable to the Police Department for the year 1874-75.

2. The increase amounts to Rupees 4,080, and is due to the following items :—

Provision of a Hospital Assistant for the Police Hospital at Vizagapatam, sanctioned in G.O., No. 182, dated 17th February 1872.

Provision of the pay of third-class Hospital Assistant for Kurnool Police, agreeably to Order of Government, Public Department, No. 390, dated 14th March 1873.

Inclusion of pay of the Hospital Assistant attached to the Police at Trichinopoly—*vide* Order of Government, Judicial Department, No. 1159, dated 23rd July 1873.

Provision is also made on account of medical subordinates maintained for the Civil Department at fifteen per cent. reserve, agreeably to Order of Government, Public Department, No. 852, dated 14th August 1873.

2. On comparing the figures for 1873-74, as entered in this budget, with the corresponding entries in the Police Budget recorded in G.O., dated 6th December 1873, No. 1770, Financial, there appears a difference of Rupees 2,086 as shown in the margin. The Inspector-General of Police is requested to explain this after communication, if necessary, with the Surgeon-General.

3. The amount for 1873-74, shown in the present budget from the Surgeon-General, agrees with that shown in the Medical Budget for 1873-74.*

4. The Governor in Council is aware that an increased provision, as compared with the actuals of 1872-73, has to be made for 1874-75 in consequence of the increased establishment sanctioned in G.Os. marginally noted, but it is not clear why such a large provision as that made in the present budget is called for, viz., Rupees 28,166. The actuals of the first six months of the current year show that Rupees 11,441 were expended, and His Excellency in Council considers that a sum of Rupees 24,000 will be found sufficient for 1874-75. The Inspector-General of Police is requested to report whether the allotment for the year might not be fixed at this amount.
