***Proceedings of the Madras Government, Financial Department,***
***12th February* 1873.**

No. 80. Read the following letter from the Vice-President of the Municipal Commission, Chicacole, to the Acting President of the Ganjam Municipalities, dated Chicacole, 21st January 1873 :—

With reference to G. O., No. 1631, dated 7th December 1872, paragraph 7, I have the honour to state that, owing to the partial failure of crops last year and the then high prices of provisions in the market, a number of poor people were unable to obtain employment at harvest and were unable to provide for themselves, and in consequence suffered very much. To alleviate their sufferings the Municipal Commissioners passed a resolution, at a meeting held on the 4th January 1872, establishing a poor-house to feed the poor people who were going about the town begging. The institution was opened on the 8th January 1872, and 110 beggars on an average were fed once a day. This was kept up till the 16th September 1872, when it ceased. The sum total expended on relief was Rupees 876-7-0, but Rupees 297-8-0 only appears in the annual statements for the year 1871-72 ; this amount includes servants' wages, &c. The balance will appear in the accounts for the current year.
