No. 29. Read the following Proceedings of the Board of Revenue, dated 23rd December 1872, No. 2928:—

Read the following letter from G. D. LEMAN, Esq., Acting President of the Local Fund Boards, Kistna District, to the Secretary to the Board of Revenue, dated Masulipatam, 12th December 1872, No. 2,928:—

With reference to paragraph 8 of Proceedings, No. 191, dated 26th January 1872, I have the honour to submit, herewith, an estimate* (Rupees 41,610) for constructing a first-class road from the Pier head to Anderson's Bridge at Masulipatam, a distance of not quite four miles.

* With Map of Surveys.

2. The road needs no masonry works, and is provided for as follows:—

	Rs.	A.	P.
Packing stone	27,004	0	0
Metalling	9,493	9	6
Gravelling	3,023	7	0
Earthwork for margin...	105	7	9
Superintendence and Sundries	1,983	7	9
Total ..	41,610	0	0

The stone and gravel are to be obtained from Bezwada, as experience shows that swamp kunker is not of any use for a road on which anything like heavy traffic is expected.

3. I enclose copy of a resolution of the Local Fund Board of Masulipatam Circle passing the estimate and requesting the early sanction of Government, and that an allotment of Rupees 10,000 be made out of the Road Reserve and unexpended balance of this year.

4. The Local Board desire that the work should be given out on contract to be executed under the supervision of the Department Public Works.

Enclosure No. 1.—Estimate.

Enclosure No. 2.—Plan.

Enclosure No. 3.—Copy of Resolution.

Submitted for the sanction of Government.

2. The Board learn that the road is a causeway through a swamp from the Port and Fort to the town which was partially destroyed in the great cyclone.

3. It is observed that the work appears as Item No. 8 in Part I. of the current year's Road Fund Budget of the Masulipatam Circle with an allotment of Rupees 5,000.
