2. The receipts anticipated do not materially differ from the estimates for the current year, except in the case of Miscellaneous, in which the variation is satisfactorily explained.

4. With reference to the abstract statement forwarded in accordance with G. O., dated 15th December 1871, No. 1854, the Government would observe that the expression " Opening balance borrowed " in the form required by the Accountant-General is an obvious misprint, which need not be re-produced.

~~have been received of the small provision for New Works~~
The increased allotment for Results Grants is satisfactory and the Govt also note with pleasure that it is proposed to make a small contribution to Local Funds on account of Vaccination.

With reference to the abstract statement forwarded in accordance with G.O dated 15th December 1871 No 1854 the Government would observe that the expression "Opening balance borrowed" in the form required by the Accountant General is an obvious misprint which need not be reproduced.

The estimates are passed as submitted and the usual notification will
