Read the following Proceedings of a Meeting of the Local Fund Board, Chittoor Circle, held on the 14th January 1873:—

Dismissal of Runganada Moodelly, Local Fund Overseer of Chittoor Range.

Read letter from the District Engineer, No. 206, dated 31st December 1872, and its enclosure, recommending the dismissal of Runganada Moodelly, Local Fund Overseer, attached to Chittoor Range. Resolved that the Overseer Runganada Moodelly be dismissed from the service. The Government in their Proceedings, No. 539, dated 28th February 1872, authorized this man's dismissal for misconduct then brought home to him, but the Superintending Engineer let him off with reductions and a warning; he is now shown to be incorrigible, and his services are finally dispensed with. Reference will be made to the District Engineer as to whether the services of Mr. Booth, now employed on cyclone works in the Wandewash Taluq, can be spared to take charge of the Division from which Runganada Moodelly has been removed.

No. 127. ORDER THEREON, 18th February 1873, No. 234.

Under Section 24 of the Local Funds Act (IV. of 1871), the power of removing officers vests in the President alone, and, while approving of the fullest consideration being given to the wishes of the Local Board in such matters, the Government think it better that the provisions of the law should be strictly complied with, and that such resolutions passed by the Board should be expressed in the form of a recommendation to the President instead of that of an order of dismissal.
