No. 128. Read the following Proceedings of the Board of Revenue, dated 29th January 1873, No. 110:—

Read the following letter from R. K. PUCKLE, Esq., President of the Local Fund Boards, Tinnevelly, to the Secretary to the Board of Revenue, dated Camp Courtallum, 17th August 1872, No. 368:—

In reply to Board's Proceedings, No. 1,100, dated 25th June 1872, I have the honour to inform you that the sum sanctioned by Government in Proceedings, No. 216, dated 7th June 1871, was apportioned between the Tinnevelly and Shermadevi Circles in the ratio of two-thirds to one-third, the Tinnevelly Circle containing six and the Shermadevi Circle three taluqs.

2. Revised Statements III.-A. and III.-B. are herewith forwarded.

3. The Chuttrum works alluded to are met from the surplus income derived from the Tirukurungudi Chuttrum lands; this cannot all be spent on the Tirukurungudi Chuttrum itself, though a considerable sum is devoted to it, and as the building is situated on an old road now little used, the surplus funds cannot be better spent than in keeping up other Chuttrums on more frequented lines of road.

REVISED.

ENCLOSURES Nos. 3 and 4.—Revised detail of charges in Local Fund Schools.

THE distribution of the cost of petty establishment reported in paragraph 1 of the foregoing letter is incorrect in principle. Each Circle should be debited with the cost of the establishment actually employed in it. Measures should be taken at once for dividing the establishment, so that each Circle may have its own staff of Overseers and Maistries.

2. The salary grants passed by Government in the current year's budgets are Rupees 8,250 for the Tinnevelly and Rupees 5,100 for the Shermadevi Circle. The President, as directed by Government, submits revised Statements III.-A. and III.-B showing the schools to which the grants are to be made. As the grants are to be paid from general funds they should not be exhibited in Statement III.-A. which will be left blank.

3. It is observed that the total of the sums provided for in the Tinnevelly Circle statement aggregates only Rupees 7,300 and no explanation of the cause of the difference is given; but it is assumed that it is owing to the amount entered in the budget being in excess of the actual requirements. The President has exhibited the allotments for educational inspection at the foot of the statements of both the Circles. The entries already appear under Grant II., and they need not be repeated in these statements. The Statements III.-B., as altered in this office, will be printed and circulated to all officers concerned.

No. 110.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 29th January 1873.

Read the following letter from R. K. PUCKLE, Esq., President of the Local Fund Boards, Tinnevelly, to the Secretary to the Board of Revenue, dated Camp Courtallum, 17th August 1872, No. 368 :—

IN reply to Board's Proceedings, No. 1,100, dated 25th June 1872, I have the honour to inform you that the sum sanctioned by Government in Proceedings, No. 216, dated 7th June 1871, was apportioned between the Tinnevelly and Shermadevi Circles in the ratio of two-thirds to one-third, the Tinnevelly Circle containing six and the Shermadevi Circle three taluqs.

2. Revised Statements III.-A. and III.-B. are herewith forwarded.

3. The Chuftrum works alluded to are met from the surplus income derived from the Tirukurungudi Chuttrum lands; this cannot all be spent on the Tirukurungudi Chuttrum itself, though a considerable sum is devoted to it, and as the building is situated on an old road now little used, the surplus funds cannot be better spent than in keeping up other Chuttrums on more frequented lines of road.

ENCLOSURES Nos. 1 and 2.—Revised Lists of salary grants.

ENCLOSURES Nos. 3 and 4.—Revised detail of charges in Local Fund Schools.

THE distribution of the cost of petty establishment reported in paragraph 1 of the foregoing letter is incorrect in principle. Each Circle should be debited with the cost of the establishment actually employed in it. Measures should be taken at once for dividing the establishment, so that each Circle may have its own staff of Overseers and Maistries.

2. The salary grants passed by Government in the current year's budgets are Rupees 8,250 for the Tinnevelly and Rupees 5,100 for the Shermadevi Circle. The President, as directed by Government, submits revised Statements III.-A. and III.-B showing the schools to which the grants are to be made. As the grants are to be paid from general funds they should not be exhibited in Statement III.-A. which will be left blank.

3. It is observed that the total of the sums provided for in the Tinnevelly Circle statement aggregates only Rupees 7,300 and no explanation of the cause of the difference is given; but it is assumed that it is owing to the amount entered in the budget being in excess of the actual requirements. The President has exhibited the allotments for educational inspection at the foot of the statements of both the Circles. The entries already appear under Grant II., and they need not be repeated in these statements. The Statements III.-B., as altered in this office, will be printed and circulated to all officers concerned.
