No. 158. Read the following letter from the Civil Judge of Tinnevelly, to the Acting Registrar of the High Court of Judicature at Madras, Appellate Side, dated Tinnevelly, 24th January 1873, No. 75 :—

I have the honour to request that you will obtain sanction of the Judges to move the Government to include in the Budget of the coming official year the funds for building a new Court-house for the District Munsif of Striviguntum. The estimate was sanctioned by Government as far back as 10th March 1870, and yet no funds have been allotted for its construction.

2. The accommodation for the Munsifs of this important district is so inadequate as to be almost ludicrous. I have already, in my letter of 15th December 1871, No. 856, represented that, unless we have six Munsifs' Courts, it is impossible adequately to carry on the civil work of the district; but it is necessary at least to provide decent accommodation for those whom we have got.

3. The District Munsif of Streevilliputtur has good accommodation in an old palace at Streevilliputtur.

4. The District Munsif of Tinnevelly has a good court in good order.

5. The Additional Munsif now holds his court in a very small inconvenient side room of this Tinnevelly Court.

6. The accommodation of the District Munsifs of Ambasamudram and Striviguntum is miserably defective. The sheds in which they hold court are not spacious enough, and are not sufficient protection against weather, and are liable to catch fire. Under these circumstances, I request the High Court to urge putting in hand at least one new court, for which the estimate has long been sanctioned.

H. Wigram Esquire,
Acting Registrar of the High Court
of Judicature, Appellate Side,
Madras.

Sir,

I have the honor to request that you will obtain sanction of the Judges, to move the Government to include in the Budget of the coming Official year the funds for building a new Court House for the District Munsiff of Srivaiguntam. The Estimate was sanctioned by Government as far back as 10th March 1870, and yet no funds have been allotted

for its construction.

The accommodation for the Munsiffs of this important one district is so inadequate as to be almost ludicrous. I have already in my letter of the 15th December 1871, No. 856, represented that unless we have 6 Munsiffs' Courts, it is impossible adequately to carry on the Civil work of the district: but it is necessary at least to provide decent accommodation for those whom we have got.

The District Munsiff of Strevilliputtur has good accommodation in an old palace at Strevilliputtur.

The District Munsiff of Timnevelly has a good Court in good order.

The Additional Munsiff now holds his Court in a very small inconvenient side room of this Timnevelly Court.

The accommodation of the District Munsiffs of Ambasamundram and Sheevigunteram is miserably defective. The sheds in which they hold Court are not spacious enough and are not sufficient protection against weather, and are liable to catch fire. Under these circumstances I pray that the High Court to urge putting in hand at least one new Court for which the estimate has long been sanctioned.
