With reference to para 4 of the letter from the Government of India No 821 dated the 24th January 1873 Financial Dept. to your address, I have the honor to point out that if as directed therein the cost of the Establishment of the Private Secretary to His Excellency the Governor is to be paid from the annual assignment without the audit of this office in detail, the members thereof will under Section 11 of the Pension Code be deprived of the privilege of reckoning their service towards pension. I request therefore should His Excellency in Council desire that this Establishment should retain the privileges it now enjoys that the Government of India may be asked to pass such orders as are necessary in the circumstances of the case.

I have the honor to be,
