No. 8. Abstract of a petition from KONDIAH CHETTY and B. ANANTA-RAMIA IYENGAR, Masters of the Hindupur School, Bellary, to the Chief Secretary to Government, Fort St. George, dated Bellary, 29th October 1872, No. 2127.

State that the school was established on 1st February 1870, and was maintained by private contributions raised by the Managers up to July 1871; that the Managers represented to the Deputy Inspector of Schools that they are unable to maintain the school, and that the Government or the Local Fund Board may take up its management ; that Mr. E. Gibson, the Vice-President, who visited the school several times, recommended its transfer, and made suitable provision in the Budget for 1871-72 ; that the Government wanted to know the cause of the transfer, but sanction was accorded to the budget ; that they received their arrears of salary from July to December 1871 under the orders of the Deputy Inspector of Schools ; that they received their salaries up to February 1872, when the Vice-President objected to the payment on the ground that the Government did not sanction the transfer ; that the Vice-President again recommended the transfer in April last, but no Order of Government has yet been passed ; that the Government have nominated members under Section 33 of the Local Fund Act, 1871, and, in their Order of the 25th January 1872, sanctioned the appointment of Sub-Committees for the management of the schools at Pennakondah and Hindupur ; that there are no Anglo-Vernacular schools at a distance of thirty miles from the place.

Pray for orders to transfer the school to the Local Fund Board, to pay their arrears of salary, and to levy house-tax under the Act.

FORT ST. GEORGE,
9th December 1872.

No. 9. From the President of the Local Fund Boards, Bellary, to the Chief Secretary to Government, Fort St. George, dated Aloor, 19th December 1872, No. 112.

With reference to the Order of Government, No. 2127, dated 9th instant, on the accompanying petition presented by the Masters of the Hindupur School, I have the honour to state that the school is a private one maintained by local contributions.

2. The Pennakondah Local Fund Board, with the intention of forming a union in support of that school, provided a sufficient sum in the Budget for 1871-72 for its maintenance. But the Government in G. O., No. 711, dated the 28th November 1871, paragraph 18, sanctioning the budget, expressed their disinclination to form a union at that place on the ground of its being a private school, but allowed the provision made for the institution to remain in the budget pending further report.

3. The required information was soon afterwards communicated to Government in my letter, No. 35, dated 20th February last, but in their Order, No. 395, dated 3rd April 1872, they declined to sanction its transfer in the absence of special reasons, whereupon the payments which had been made until then, in anticipation of the sanction of Government, ceased, and the Managers of the school were called upon to repay the sum already disbursed from Local Funds.

4. The petition is herewith returned.

No. 10. ORDER THEREON, 1st March 1873, No. 273.

Under the circumstances reported, the Government do not think that the Managers of the Hindupur School should be called upon to refund the payments made to them by the Local Fund Board, but they are not prepared to sanction the establishment of a union at that place for the support of a middle-class school unless the inhabitants of the villages which would be included in the union request it.

2. The petitioners will be referred to the Local Fund Board, with whom it lies to decide whether the suggestion above made regarding the recovery of the payments should be adopted or not.
