No. 53. Read the following letter from the President of the Municipal Commission, Mangalore, to the Chief Secretary to Government Fort St. George, dated Mangalore, 28th February 1873, No. 128 :—

I have the honour to request that Government will be pleased to sanction the use of Rupees 350, provided for in the Budget of the current year for constructing a latrine for the use of females within the compound of the Civil Dispensary at this station, in building a dead-house out of it, at a cost not exceeding that amount, which has been commenced in anticipation of the santion here solicited, in order not to lose the present working season.

2. The necessity for a new dead-house was pointed out by the Inspector-General, Indian Medical Department, through the medical officer of this station on account of the practice prevailing here and elsewhere of taking dead bodies to the Civil Dispensaries for inquest or post-mortem examination greatly affecting the popularity of hospitals, and in this opinion the Commissioners concur.

3. The construction of the intended latrine for females can be well dispensed with for the present, the existing dead-house within the precincts of the Civil Dispensary being used for latrinal purposes.

ORDER THEREON, 7th March 1873, No. 317.

No. 54. The work is sanctioned together with the proposed transfer of funds ; but, as the charge for a dead-house has elsewhere been borne by the State as being for general requirements beyond the municipal limits, the Accountant-General will arrange for recouping the Municipality in the sum of Rupees 350, debiting it to Provincial.
