Proceedings of the Madras Government, Financial Department,

12th March 1873.

No. 83. Read the following Proceedings of the Board of Revenue, dated 7th February 1873, No. 765 (Miscellaneous):—

Read the following letter from the Acting Collector of North Arcot, to the Secretary to the Board of Revenue, dated Chittoor, 14th January 1873, No. 9:—

I have the honour, with reference to the Proceedings of the Board of Revenue, dated 19th ultimo, No. 8416 (Miscellaneous), to report that I consider that the rate of land-cess should be raised in the Vellore Circle as well as in that of the Chittoor Circle. Different rates of taxation in various parts of the same district would be very invidious and produce much annoyance in collection.

Submitted to Government, with reference to G. O., 13th December 1872, No. 1674.

2. It is observed that the Vellore Budgets reveal no want of funds at present, but it would be inconvenient to have different rates of cess in different parts of the same district.
