Proceedings of the Madras Government, Financial Department,
13*th March* 1873.

No. 93. Read the following letter from the Collector of Kurnool, to the Chief Secretary to Government, Fort St. George, dated Kurnool, 19th February 1873, No. 52:—

With reference to G. O., No. 39, dated 9th January 1873, I have the honour to inform you that the Municipal Commissioners of Cumbum are of opinion that an over-charge has been made on the Municipality because the Accountant-General has charged them with Rupees 385-2-10, which sum represents the entire cost of medicines supplied for the use of the Cumbum Civil Dispensary, as well as for the servants of Government in the Revenue and Judicial Departments.

2. During the year 1871, the Municipal Dresser gave his services to all Government servants in Cumbum free of any charge to Government, the whole pay of the Dresser having been debited to the Municipality from April 1871 to December 1872, when a separate Dresser was appointed to the Head Assistant Collector's Office. During this period the medicines supplied into the Civil Dispensary were used partly in the dispensary and partly for the Government servants of the station.

3. I, therefore, request the necessary order of Government for the Accountant-General charging the Cumbum Municipality half the sum (viz., Rupees 192-9-5) instead of Rupees 385-2-10, because the medicines supplied in 1871-72 was for the joint use of the Municipality and Government servants.

No. 94. ORDER THEREON, 13th March 1873, No. 347.

Under the exceptional circumstances reported in the above letter, the Government are willing that half the cost of the medicines supplied to the Cumbum Dispensary, during the year 1871-72, should be borne by Provincial Funds.
