Financial Notification, No. 1445, dated 28th February 1873, directing that, in future, all official covers shall be prepaid by means of Service Postage Stamps.

Resolution.—In this Notification the Governor-General in Council has withdrawn the privilege hitherto enjoyed by the officers and offices named in the list of sending their official correspondence by post free of charge. It is, therefore, necessary to provide for the official postage of those officers in the estimates for 1873-74. According to past experience, about one-third of the amount granted in 1871-72 will probably suffice to meet the charges in the ensuing year. The Governor-General in Council is accordingly pleased to sanction the amounts noted against each officer and office in the accompanying list as the grants for postage charges in 1873-74. Should these amounts prove insufficient, further grants will be made in the course of the year.

Ordered that the foregoing Resolution be communicated to the Military Department, the Comptroller-General, the several Local Governments and Administrations concerned, the Accountants-General and Deputy Accountants-General concerned, and the Director-General of the Post Office of India.

Secy. to the Govt. of India.
