Proceedings of the Madras Government, Financial Department,
9th January 1873.

No. 51. Read the following letter from the President of the Municipal Commission, Kurnool, to the Chief Secretary to Government, Fort St. George, dated Kurnool, 18th December 1872, No. 33 :—

I have the honour to forward a letter, with its enclosures, from the Vice-President of the Cumbum Municipal Commission regarding the payment of a moiety of Rupees 385-2-10, the cost of medicines, &c., supplied to the Head Assistant Collector's Office and the taluqs of his division from the Cumbum Civil Dispensary.

2. I request that this amount may be sanctioned.

From the Vice-President of the Municipal Commission, Cumbum, to the President of the Municipal Commission, Kurnool, dated Cumbum, 5th December 1872, No. 132.

I have the honour to forward an extract from the Proceedings of the Cumbum Municipal Commissioners, dated 25th ultimo, and request that you will be good enough to apply to Government for the payment of a moiety of Rupees 385-2-10, cost of medicines, &c., supplied to the Head Assistant Collector's Office and the taluqs of his division from the Cumbum Civil Dispensary.

2. The Commissioners are of opinion that they should only be required to pay half the amount, viz., Rupees 192-9-5, value of medicines proportionately used in the Municipal Dispensary.

EXTRACT from the Proceedings of the Cumbum Municipal Commissioners, dated 25th November 1872.

Read letter, No. 419, dated 7th November 1872, from the Deputy Collector in charge of Treasury, Kurnool, forwarding copy of a letter from the Accountant-General, No. 5562, dated 28th October 1872, and requesting to pay from the Municipality of Cumbum the sum of Rs. 385-2-10, being the value of medicines supplied in 1871-72 into the Taluq Treasury of Cumbum.

The Commissioners observe that no copy of G. O., No. 755, of 7th December 1871, has been furnished to this Municipality. They infer, however, that the sum of Rupees 385-2-10, mentioned in the Deputy Collector's letter, represents the value of medical stores supplied to the Civil Dispensary and for the use of the Head Assistant Collector's Office.

If this is so, the Municipality is clearly only liable to pay for such medicines as were used in the Municipal Dispensary. The Government must pay for the medicines, &c., furnished to the Head Assistant Collector's Office.

The Commissioners are of opinion that they should only be required to pay half the sum mentioned, viz., Rupees 192-9-5.

Resolved that the Deputy Collector be informed accordingly.

No. 52. ORDER THEREON, 9th January 1873, No. 39.

The intention of this application is not understood.

2. There can be no necessity for any payment by Government for medicines supplied from the Government Stores to the Head Assistant and Taluq Cutcherries, nor does the sanction of Government seem necessary for the inclusion in the municipal accounts of the payment to be made by the Municipality for the medicines supplied to them.

3. The Collector will explain the matter further.

4. If he thinks an overcharge has been made on the Municipality, he can take the proper steps for revision.
