Proceedings of the Madras Government, Financial Department, 9th January 1873.

No. 53. Read the following letter from the President of the Municipal Commission, Ootacamund, to the Chief Secretary to Government, Fort St. George, dated Ootacamund, 20th December 1872, No. 87:—

As directed in paragraph 1 of G. O., No. 1468, of 28th October, I have the honour to forward Statements II.-A., II.-B., and III., which should have accompanied the Annual Report of the Ootacamund Municipality for 1871-72, and also a revised Statement IV. in the prescribed form.

2. I regret that the charge for Public Works Establishments cannot be shown apart from the General Establishment charges under Grant V. for 1871-72 as separate accounts were not kept. The accounts of the current year, however, will distinguish the items.

3. With reference to vaccination, paragraph 3, the Honorary Secretary remarks as follows:—"I have the honour to observe that the ratio as represented in the report is 1 : 3 and not 1·3 as stated in the review thereon. The true ratio *per mille*, however, is 297·124."
