Proceedings of the Madras Government, Financial Department,
26th March 1873.

No. 187. Read the following Proceedings of the Board of Revenue, dated 17th March 1873, No. 390:—

Read the following letter from G. VANSAGNEW, Esq., President of the Local Fund Board, Nellore, to the Secretary to the Board of Revenue, dated 26th February 1873, No. 146:—

I HAVE the honour to submit, for the sanction of the Board an estimate and other papers particularized in the margin, amounting to Rupees 13,200, for the complete construction of that part of the road from Nellore to Cuddapah, which includes the Dorenal ghaut, received from the District Engineer with his letter of the 20th instant, No. 12.

Survey of proposed road.
Longitudinal section of do.
Four plans.
Two specifications.
Two detailed estimates.

2. The length of this portion of this important road is 4·76 miles, and it appears it was not included in the original estimate for the rest of the road which will be worked out this year.

3. To complete the work next official year, I request that funds may be provided at once from the large balance left unappropriated under Road Fund, viz., Rupees 27,190.* A supplemental budget to utilize this balance will be submitted at an early date, in which provision will be made for this road, and, in the meantime, I would urge that the funds required be placed at the disposal of the Department of Public Works on the 1st April 1873.

* *Vide* Board's Proceedings, No. 2262, of 23rd November 1872.

THE estimate for constructing the Dorenal ghaut portion of the road from Nellore to Cuddapah, 4 miles and 1338 yards long, at a cost of Rupees 13,200, will be submitted for the sanction of Government.

2. The President's request that the cost may be sanctioned out of the unappropriated balance of the Road Fund will be kept in view.
