Proceedings of the Madras Government, Financial Department, 26th March 1873.

Read the following papers:—

No. 195. From the Officiating Under Secretary to the Government of India, Financial Department, to the Secretary to the Government of Fort St. George, dated Fort William, 4th March 1873, No. 1482 (Accounts).

By Resolution, No. 1659, dated 20th March 1871, all medical charges were made Provincial, excepting the consolidated salaries of Medical Officers in medical charge of Head-Quarter Stations, or of Civil Stations of like importance.

2. It is now proposed to make the remaining medical charges Provincial, making the needful additions to the several Provincial assignments.

3. Upon a review of the estimates for 1873-74, it was the intention of the Government of India to grant £30,000 for Imperial Medical Services in Madras. It is proposed, therefore, to add this sum permanently to the assignment for Provincial Services in that Province with effect from the 1st April 1873.

4. It is a condition of the arrangement now proposed that the Local Governments shall not, without the previous sanction of the Government of India, alter the rates of pay of Civil Medical Officers, or the number of Civil Medical Charges.

5. The Governor-General in Council will be glad to know by telegraph, as soon as possible, whether the proposed arrangement is acceptable to the Government of Madras.

No. 196. From the Inspector-General of Hospitals, Indian Medical Department, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 11th March 1873, No. 87.

I have the honour to submit to the Right Honourable the Governor in Council the memorandum asked me for in Memorandum, No. 91, of yesterday, and ordered to be sent in early to-day.

2. That memorandum only reached me about 5 P.M. yesterday, and, as such data have not hitherto been kept collected in this office, they have now been gathered together from the official Army Lists, but necessarily in so hasty a manner that there may be some slight errata which may need subsequent correction.
