From the President of the Local Fund Boards, Godavery District, to the Secretary to the Board of Revenue, dated Ellore, 21st February 1873, No. 12.

In continuation of my letter, No. 123, dated 20th December 1872, I have the honour to bring to the notice of the Board of Revenue that the majority of the members comprising the Cocanada Circle Board have consented to the transfer of funds proposed in my letter above alluded to.

2. I, therefore, request that early orders may be passed on the subject.

*Proceedings of the Madras Government, Financial Department, 8th April 1873.*

In the first of the foregoing letters the President applies for the transfer of funds from certain new works in the Budget of the Ellore Circle to certain repair works not provided for in the budget as shown below :—

| From | Allotment in the original budget of the Cocanada Circle. | Allotment in the revised budget of the Ellore Circle. | Amount proposed to be transferred. | To | Amount. |
|---|---|---|---|---|---|
| | RS. | RS. | RS. | | RS. |

| Total... | 15,000 | 9,600 | 12,450 | Total... | 12,450 |

2. It will be observed that the total allotment of the new works, as it appeared in the original budget, was Rupees 15,000, from which it is proposed to transfer Rupees 12,450 to meet the cost of the three repair works. In the revised budget, however, the assignment for the new works has been reduced to Rupees 9,600, which is available for transfer. The Board accordingly authorize the transfer of this amount, subject to the confirmation of Government.

3. As the current official year is about to close, it is now too late to sanction from any other source the difference between the total cost of repair works and the amount now transferred. The President is requested to ascertain and report the actual outlay on the works up to the close of the year to enable the Board to see whether or not it is necessary to allot further funds.

4. The estimates for the first two repair works, amounting in the aggregate to Rupees 7,330, are sanctioned. The estimate for the last work has not as yet reached the Board. The President will expedite its submission.
