Proceedings of the Madras Government, Financial Department,
25th April 1873.

No. 109. Read the following Proceedings of the Madras Government in the Public-Works Department, dated 28th March 1873, No. 973:—

Under present arrangements the entire cost of the Lithographic Establishment is debited to Public-Works Funds (Imperial), although that establishment is engaged in executing work for all branches of the service. His Excellency the Governor in Council is of opinion that as, in this respect, the work of the Lithographic Department is not dissimilar to that of the Government Press, the cost* of the establishment should be debited to the same head of service, viz., Provincial. The Financial Department will be requested to make a special grant of Rupees 12,216 for 1873-74 and future years to meet the charge.

* Rupees 12,216 per annum.

2. The supervision of the work executed by the Lithographic Establishment for all Departments will continue to be exercised by the Public-Works Secretary, but the Department will be under the immediate control of the Under Secretary.
