Proceedings of the Madras Government, Financial Department,
25th April 1873.

No. 107. Read the following letter from S. BROCK, Esq., Controller of Public-Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public-Works Department, Fort St. George, dated Fort St. George, 7th April 1873, No. 43:—

With reference to the Proceedings of Government, No. 199, dated 24th March 1873, I have the honour to request that you will have the goodness to inform me whether the directions therein given, for computing the rateable share of the cost of Public-Works Establishments to be debited to Local Funds, are to be observed in the accounts of the year 1872-73, or whether they are to have effect from the commencement of the current official year. The charges of three-fourths of the past year have already been *monthly* distributed under the old rules.

Referred to the Financial Department, with reference to the orders in that Department dated 17th February 1873, No. 221.

FORT ST. GEORGE,
9th April 1873.

(Signed) G. W. WALKER, Colonel, R.E.,
Secretary to Government, P. W. D.

No. 108. ORDER THEREON, 25th April 1873, No. 526.

In their Order of the 26th November 1872, No. 1565, the Government remarked that the method of distributing Public-Works Charges proposed in G. O., dated 20th March 1872, No. 336, and accepted by the Controller of Public-Works Accounts, would probably have worked fairly and equitably in practice, but adopted the mode recommended by the Board of Revenue as the more strictly correct in principle.

2. Under the circumstances, it seems unnecessary to disturb the distributions already made, and it will suffice if the new method be introduced from the commencement of the year 1873-74.
