No. 125. Read the following Proceedings of the Board of Revenue, dated 20th March 1873, No. 1717 (Miscellaneous):—

Read the following letters:—

From G. D. LEMAN, Esq., Acting Collector of the Kistna District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Masulipatam, 2nd November 1872, No. 2661.

In reply to G. O., No. 1306, of 1st October 1872, Financial Department, I have the honour to ask attention to my letter embodied in the Board's Proceedings, No. 1717, dated 29th August 1872, wherein I have asked whether it is the intention of Government that the Repalli Taluq should be joined to the Guntoor Local-Fund Circle or not.

2. Colonel Moberly made the proposal in September 1871 and Mr. Boswell assented to it, as reported to Government in Public-Works Department in the Superintending Engineer's letter, No. 79, dated 29th idem.

3. It has now been brought to my notice that the transfer of Repalli will reduce the land-cess of the Masulipatam Circle from Rupees 1,00,000 to 70,000 Rupees, and I estimate that the whole assets will be reduced from 2,54,690 Rupees to 1,70,000 Rupees; therefore, if the Government do contemplate the transfer, I would recommend that, in lieu of it, the two circles be combined.

4. If the transfer be made, the amount that will be left to the Masulipatam Circle that they must spend on roads will be, without Government allotment, Rupees 45,000 or, say, 50,000; while the road-work to be done is so great that it will not be possible, unless the whole assets are put upon isolated works, to do anything with it. As an instance, Jaggiapett is distant from Bander 100 miles. The estimate for the road from one place to the other is Rupees 5,00,000, that is, it will take ten years to make if the whole assets can be afforded, while the cost of maintenance alone will be 33,000 Rupees when it is completed.

5. The other absolutely necessary roads in the circle are estimated to cost Rupees 3,80,000 without counting the road from Bezwada to Perkied, which the Government are anxious to have completed, and which will cost Rupees 3,31,000.

From G. D. LEMAN, Esq., President of the Local-Fund Boards, Kistna District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Bapatla, 12th February 1873, No. 194.

With reference to Official Memorandum of 19th November 1872, No. 1449, I have the honour to point out that my calculation is that the land-cess of Repalli is 30,000 Rupees, and not the Road-Fund share.

2. The annexed statement, calculating in the ratio of 1,00,000 to 30,000, shows that, when the whole circle-assets are Rupees 2,54,690, those of Repalli will be Rupees 76,407; taking those figures, the actual assets of the circle, less Repalli, are 1,78,283.

3. The estimate for the land-cess in the coming year is less than that of the current, and I, therefore, gave the assets of the circle, less Repalli, in round numbers 1,70,000.

Proceedings of the Madras Government, Financial Department,
