Proceedings of the Madras Government, Financial Department, 7th May 1873.

No. 37. Read the following Proceedings of the Board of Revenue, dated 18th March 1873, No. 1622 (Miscellaneous):—

Read the following letter from R. W. BARLOW, Esq., Acting Collector of the Chingleput District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Strepermatur, 1st March 1873, No. 49:—

At a recent interview the District Engineer and I decided on the advisability of planting nanul grass along the banks of some of the more important channels in the district, and that a sum of Rupees 500 should be placed at the disposal of the Department of Public Works for that purpose.

2. The Board are aware that there is no fund worthy of the name here for planting this grass. I have the honour, therefore, to request that an appropriation of the above amount may be sanctioned from the Jungle Conservancy Fund, under which there is a sufficient balance available.

3. The undertaking is likely to be profitable and further is useful, as nanul when grown binds the soil and prevents encroachments and silting.

The Board approve of the proposal to employ some of the surplus Jungle Conservancy Fund of Chingleput in planting nanul grass; but, as the question whether the Jungle Conservancy Fund can be devoted to such an object seems never to have been determined, the Board resolve to submit it for the orders of Government.

No. 38. ORDER THEREON, 7th May 1873, No. 572.

The Government must decline to sanction the expenditure of any portion of the Jungle Conservancy Fund on purposes other than the conservancy and extension of the village jungles.
