Proceedings of the Madras Government, Financial Department,
7th May 1873.

No. 41. Read the following letter from R. E. NORFOR, Esq., Officiating District Engineer, South Arcot, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, Fort St. George, dated Cuddalore, 7th April 1873, No. 1:—

G. O., No. 253, of the 31st March 1873, granting Rupees 2,327-6-9 from Provincial Funds to meet the claims of the Contractors of the late Vellaur Bridge at Mutloor, reached me only on the 2nd instant; I could not, therefore, utilize the amount, as the accounts for the year were closed. The Contractors are very troublesome in demanding their dues; I respectfully request, therefore, that the Government will be pleased to place the amount at my disposal at an early date from the current year's Provincial Fund. Should there be any delay in granting the same, I request authority to settle the Contractors' claims in anticipation of sanction of the amount.

Transferred to the Financial Department, with a request that the funds may be specially provided for this year, as it appears that, owing to the late date on which the orders in that Department were received, the funds which were made available from savings could not be paid last year. The Public Works Reserve under Provincial is very limited.
