Proceedings of the Madras Government, Financial Department,
14th January 1873.

No. 64. Read the following Proceedings of the Board of Revenue, dated 7th January 1873, No. 40 (Miscellaneous):—

Read the following letter from the President of the Local Fund Boards, Salem District, to the Secretary to the Board of Revenue, dated Salem, 26th November 1872, No. 734:—

I have the honour to request that the Board of Revenue will be good enough to sanction the payment of Rupees 350, being the amount expended in the construction of latrines, dead-house, &c., within the compound of the Namkal Dispensary in the Salem Circle, from the sum of Rupees 1,500 provided in the Budget of this Circle for the current year on account of "Repairs to Orr's Choultries and Soldiers' sheds."

2. When I visited Namkal in the early part of the year, I found that these buildings were urgently required for the good working of the institution, and I, therefore, ordered their immediate construction, the money required being laid out as an advance, pending the sanction of the Board for its payment from the regular source. These buildings have been completed, and the sanction of the Board is now requested for an adjustment of the advance in question.

The sanction of Government is requested for the proposed transfer of Rupees 350 for certain new works from the allotment for repair works which are described in the foregoing letter.
