Read the following :—

Extract, paragraph 4, *from a despatch from the Secretary of State for India, to the Government of India, No.* 13, *dated* 23*rd January* 1873.

PARAGRAPH 4.—In the re-arrangement of the charge for stores some difficulties have arisen ; and as on receipt in this country of indents it is not always clear to what head of account the cost should be debited, especially in regard to books and small stores applied for in Secretaries' letters, I request that, in future, all indents and letters calling for supplies of any description may clearly specify the head of service under which the cost should be charged. I request that you will communicate this instruction to the Governments of Madras and Bombay.
