I am directed to acknowledge the receipt of your letter, No. 31, dated 8th January 1873, and, in reply, to state that there was no intention on the part of the Government of India of imposing upon the Provincial resources of Madras obligations not hitherto borne by them.

2. It was not, therefore, anticipated that the Government of Madras would have any objection to the transfer of the provision made for District Posts in the Madras Presidency to the Provincial allotment, the service being made Provincial.

3. It is hoped that the provision made will suffice for the service to be performed.
