*Proceedings of the Madras Government, Financial Department,
14th May 1873.*

No. 128. Read the following Proceedings of the Board of Revenue, dated 7th May 1873:—

Read the following letter from H. SEWELL, Esq., Acting Collector of North Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Wandewash, 19th April 1873, No. 235:—

IN their Order, dated 12th ultimo, No. 340, communicated through the Proceedings of the Board of Revenue, Miscellaneous No. 1730, of the 21st March, the Government have sanctioned the increase of the rate of Local-Fund land-cess for the Chittoor Circle, and notified in the *Fort St. George Gazette* under date the 18th ultimo, page 556, that from and after the 1st April 1873 the rate of cess to be levied in the Chittoor Circle shall be 1 Anna per Rupee of land assessment.

2. I beg to state that the land-cess has already, for the most part of the Chittoor Circle, been fixed at the old rate of 9 Pies per Rupee for Fasli 1282, of which nine months have passed over.

3. I have, therefore, the honour to request that you will be good enough to favour me with the instructions of Government as to whether the 1 Anna rate should be levied for this fasli (1282) or from the beginning of the next fasli (1283) so that one uniform rate may be adopted for the whole circle and for the whole fasli.

SUBMITTED for the orders of Government.

2. The Board are of opinion that the 1 Anna rate which is to be substituted for the 9 Pie rate in the Chittoor Circle should commence from the beginning of next fasli, and that an alteration to that effect should be made in the Notification published at page 556 of the *Fort St. George Gazette*.

3. The Circle has been already rated at 9 Pies in the Rupee of assessment, etc., for the whole of this fasli, and as the land-cess is paid in kists with the land revenue it would be difficult, if not illegal, to alter the rating before the fasli closes.

Secretary.

No. 129. ORDER THEREON, 14th May 1873, No. 634.

The Governor in Council approves of the introduction of the increased rate of cess from the beginning of Fasli 1283. There does not appear to be any necessity for issuing another notification, but the Collector will take all necessary precautions against any unauthorized levy of the higher rate for the rest of the current Fasli.
