***Not to be folded or roughly handled***

No. 77. Read the following Proceedings of the Board of Revenue, dated 11th January 1873, No. 178 (Miscellaneous):—

Read the following papers:—

From the President of the Local Fund Board, Coimbatore, to the Secretary to the Board of Revenue, dated Coimbatore, 3rd July 1872, No. 28.

I have the honour to forward, for sanction, an estimate (with plan) of Rupees 5,500, approved by the Local Board, Southern Circle, for constructing a chuttrum for the accommodation of native travellers at Tirpoor (Avenashy Road) Railway Station in Pulladam Taluq.

2. The nearest public chuttrum to this station is at Nulloor, 4½ miles from Tirpoor; that building, though kept in a good order, is now, on account of its distance from the station, not of much use. There is a private chuttrum at Tirpoor but it is intended only for Brahmins and is, therefore, not endowed, so the building now proposed seems necessary.

3. Funds will be provided when available.

---

From the President of the Local Fund Board, Coimbatore, to the Secretary to the Board of Revenue, dated Coimbatore, 6th December 1872, No. 48.

I have the honour to submit revised estimate and plan of the Tirpoor Chuttrum, showing the extent of accommodation allotted for different castes, as required in Revenue Board's official memorandum, No. 906, of 8th July 1872. The original estimate of Rupees 5,500 has now been raised to Rupees 5,820; funds are not now available, but will be provided hereafter.

One plan.
,, estimate.

---

The revised estimate for building a chuttrum at Tirpoor at a cost of Rupees 5,820 will be submitted for the sanction of Government.
