Proceedings of the Madras Government, Financial Department,
16th January 1873.

No. 81. Read the following letter from the Director of Public Instruction, to the Chief Secretary to Government, Fort St. George, dated Madras, 13th December 1872, No. 2739:—

I have the honour to submit the Educational Budget Estimate for 1873-74.

2. With reference to Mr. Under-Secretary Sturrock's memorandum, No. 321, of the 9th instant, I beg to state that the Budget has been kept back with the idea that it might be practicable to rearrange it in correspondence with changes about to be made in the Department. As, however, special sanction for such changes will probably not be given for some two months, the Budget now submitted has been drawn up without reference to them.

No. 82. ORDER THEREON, 16th January 1873, No. 71.

The Director of Public Instruction submits, with the letter above recorded, the Budget Estimate of the Educational Department for the year 1873-74.

2. The estimate shows that the probable receipts from the sources indicated in the margin will amount to Rupees 1,37,000 against Rupees 1,35,000, the estimate for 1872-73, and Rupees 1,33,176, the actuals for 1871-72. From whence the two last sets of figures were derived is not clear.

	RS.
University	21,000
Presidency College	9,000
Combaconum do.	9,500
Schools	97,500
Total ...	1,37,000

3. The estimate for 1872-73, submitted with the Director's letter dated the 21st December 1871, No. 2328, gave the gross receipts at Rupees 1,33,000. The amount was raised in G. O., dated the 18th January 1872, to Rupees 1,36,500, or Rupees 1,500 in excess of the amount* entered in the estimate now sent in.

* Rupees 1,35,000.

4. The accounts rendered by the Accountant-General give the actual receipts in 1871-72 from Government Schools, &c., at Rupees 1,03,135, or Rupees 30,041 less than the amount shown in the estimate for 1873-74.

5. The actuals for the first six months of 1872-73 amount to Rupees 50,610. Judging from these and the actuals for 1871-72 the Governor in Council is of opinion that the Director's estimate for 1873-74 is too high and that it should be reduced from Rupees 1,37,000 to Rupees 1,10,000.

6. The charges are estimated at Rupees 9,33,957. According to the Director's estimate, the expenditure in 1871-72 was Rupees 8,00,652 and the grant for 1872-73 Rupees 9,06,616. The expenditure as per accounts rendered by the Accountant-General was Rupees 8,53,680 in 1871-72, and the grant as per G. O., dated the 18th January 1872, No. 55, Rupees 9,12,364. The regular estimate for 1872-73 is Rupees 8,82,950.

7. The following comparative statement shows that the estimated charges for 1873-74 are larger than are necessary, and that they may be reduced :—

—	Actuals as per accounts of the Accountant-General for 1871-72.	Regular Estimate for 1872-73.	Estimate for 1873-74.
	RS.	RS.	RS.
Madras University	38,012	38,940	39,368
Direction	40,566	42,600	43,200

Government Colleges	62,374	95,000	1,05,264
Do. Schools	2,73,208	2,50,000	2,60,720
Grants-in-aid	2,94,780	3,00,000	3,14,600
Government Book Depôt	8,742	9,950	10,188
Miscellaneous	7,912	4,480	34,476
Total ...	8,53,680	8,82,950	9,33,957

8. The estimated gross charges exceed the actuals for 1871-72 by Rupees 80,277 and the regular estimate for 1872-73 by Rupees 51,007, irrespective of the sums of Rupees 63,250 and Rupees 5,494 to be recovered from Local and Municipal Funds on account of the pay and travelling allowance of Inspectors of Schools and contributions towards Normal Schools, respectively.

9. Under Madras University an addition of Rupees 200 has been made for fees to the Examiners in the "Ooriya" language, and Rupees 24 against servants in the office of Registrar. No authority has been quoted for the latter addition, in the absence of which it will be removed and the charge for the University for 1873-74 fixed at Rupees 39,000.

10. The charge for Direction will be reduced to Rupees 43,000, which will still be in excess of the actuals and the regular estimate.

11. The charge for Inspection is passed at Rupees 1,26,140; that for Government Colleges will be reduced to Rupees 1,05,200. The estimate includes a sum of Rupees 84 for an extra servant under "Presidency College," which is inadmissible in the Budget without express sanction.

12. The provision of Rupees 2,60,720 for Government Schools is passed.

13. The "Grants-in-aid" exhibit an increase of Rupees 10,000 under Salary and Results' Grants. The Government are of opinion that a provision of Rupees 3,00,000, which is Rupees 5,220 in excess of the actuals for 1871-72, is ample for the purpose. The estimate will be reduced accordingly.

14. The necessity for increasing the charge for "Scholarship and Prize" to Rupees 30,000 is not apparent, when the actuals for 1871-72 did not exceed Rupees 21,670. The grant for 1872-73 is Rupees 27,600, and a corresponding grant will be made for 1873-74. This will reduce the estimated provision under Miscellaneous from Rupees 34,476 to Rupees 32,076.

15. Under "Government Book Depôt" no allowance has been made for the probable saving of Rupees 1,000 anticipated by the reduction in the fixed monthly

Proceedings of the Madras Government, Financial Department,
16th January 1873.

allowance of District Curators. The reduction was approved by Government in their Order, dated the 21st March 1872, No. 79. The provision for 1873-74 will, therefore, be reduced from Rupees 10,188 to Rupees 9,180.

16. The estimate of Rupees 1,636 under "Library of Oriental Manuscripts" seems high. The actual expenditure during 1871-72 was only Rupees 662. The estimate for 1873-74 will be reduced to Rupees 1,500, which allows an ample margin for the purchase of "Manuscripts."

17. The Educational grant for 1873-74 will be fixed in round numbers at Rupees 9,15,180, viz. :—

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from the Director of Public Instruction Dated 13th December 1872 No 2739

Order thereon 16th January 1873 No 71.

The Director of Public Instruction submits with the letter above recorded the Budget Estimate of the Educational Department for the year 1873-74.

2. The Estimate shows that the probable receipts from the sources indicated in the margin will amount to Rs 137,000 against Rs 135000 the Estimate for 1872-73, and Rs 138,176 the actuals for 1871-72. From whence the two last sets of figures were derived is not clear.

3 The Estimate for

Combaconum College	9500
Schools	97,500

Sent to Press 25/2/73

1872-73 submitted with the Director's letter dated the 21st December 1871 No 3328 gave the gross receipts at Rs 1,33,000. The amount was raised in G. O. dated the 18th January 1872 to Rs. 1,36,500 or Rs 1,500 in excess of the amount entered in the Estimate now sent in. × Rs 1,35,000

4 The accounts rendered by the Accountant General give the actual receipts in 1871-72 from Government Schools vcc at Rs 103,135, or Rs 30,041 less than the amount shown in the Estimate for 1873-74.

5 The actuals for the first six months of 1872-73 amount to Rs. 50,610. Judging from these, and the actuals for 1871-72 the Governor in Council is of opinion that the Director's Estimate for 1873-74 is too high

high, and that it should be reduced from Rs 1,27,000 to Rs 1,10,000. 25

6 The charges are rightly entered at Rs 9,33,957. According to the Director's Estimate, the expenditure in 1871-72 was Rs 8,00,652 and the grant for 1872-73 Rs 9,06,616. The expenditure as per accounts rendered by the Accountant General was Rs 8,53,680 in 1871-72, and the grant, as per G. O. of the 18th January 1872 for 55 Rs 9,12,364. The regular Estimate for 1872-73 is Rs 8,82,950.

7 The following Comparative Statement shows that the Estimates charges for 1873-74 are larger than are necessary, and that they may be

be reduced.

	Actuals as per account of the Accountant General for 1871-72.	Regular Estimate for 1872-73	Estimate for 1873-74
	Rs	Rs	Rs

Government Schools	2,73,208	2,50,000	2,60,720
Grants-in-aid	2,94,780	3,01,000	3,14,600

Miscellaneous	7,912	4,480	34,476
	8,53,680	8,82,950	9,33,957.

8. The gross charges exceed the actuals for 1871-72 by Rs 80,277 and the Regular Estimate for 1872-73 by Rs 51,007, irrespective of the sums of Rs 63,250, and Rs 5,494 to be recovered from local and Municipal funds, on account of the pay and travelling allowance of Inspectors of schools, and contributions towards Normal schools, respectively.

9. Under Madras University an addition of Rs 200 has been made for fees to the Examiners in the "Oriya" language, & Rs 24 against servants in the office of Registrar. No authority has been quoted for the latter addition, in the absence of which it will be removed, and the charge for the University for 1873-74 fixed at Rs 39,000.

10 The charge for Direction will be reduced to Rs 43,000 which will still be in excess of the actuals & the Regular Estimate.

11 The charge for inspection is passed at Rs 1,26,140. That for Government Colleges will be reduced to Rs 1,05,264

The

The Estimate includes a sum of Rs84 for an extra servant under "Presidency College", which is inadmissible in the Budget without express sanction.

12. The provision of Rs 2,60,720 for Government schools is passed.

13. The "Grants-in-aid" exhibit an increase of Rs 10,000 under Salary and Results Grants. The Government are of opinion that a provision of Rs 3,09,000, which is 5,220 in excess of the actuals for 1871-72, is ample for the purpose. The Estimate will be reduced accordingly.

14. The necessity for increasing the charge for

from Rs 10,188 to Rs 9,188.

16. The Estimate of Rs 1,636 under "Library of Oriental manuscripts" seems high. The actual expenditure during 1871-72 was only Rs 162. The Estimate for 1873-74 will be reduced to Rs 1,500 — which allows an ample margin for the purchase of "manuscripts"

17. The Educational grant for 1873-74 will be fixed in round numbers at Rs 9,15,180 — viz
