*Proceedings of the Madras Government, Financial Department,
28th May 1873.*

No. 259. Read the following Proceedings of the Board of Revenue, dated 2nd May 1873, No. 709:—

Read the following letter from H. S. THOMAS, Esq., President of the Local-Fund Board, Canara Circle, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Mulky, 17th March 1873, No. 148:—

With reference to paragraph 19 of the Proceedings of the Board of Revenue, dated the 27th November 1872, No. 2283, I have the honour to solicit the attention of the Board to letter, No. 1417, dated 21st November 1872, addressed by me as Collector, and to state that the proposals therein made were discussed with the Local-Fund Board and have had their approval.

SUBMITTED to Government with reference to Board's Proceedings, dated 27th November 1872, No. 2283.

2. The allotment for vaccination in the Budget of the South Canara Circle is not too large and may be passed, but the President must submit his scheme to the Local Board and obtain a formal resolution on the subject.

3. In doing so he should carefully consider the following points:—

(1.) The scheme does away with all skilled supervision. Tahsildars have no time to supervise, and if they have they will not be able to tell the difference between, a vesicle formed by the juice of milk-hedge and a vesicle formed by vaccine lymph.

(2.) The Sanitary Commissioner is strongly of opinion that "payment by results" must form a portion of the salary of vaccinators if they are to be efficient, and the Board agree with him.
