No. 91. Proceedings of the Board of Revenue, dated 4th January 1873, No. 7 (Miscellaneous).

Read the following letter from the Acting President of the Local Fund Boards, Madura, to the Secretary to the Board of Revenue, dated Periacolum, 26th November 1872, No. 37.

With reference to paragraph 2 of the Proceedings of the Board of Revenue, dated 28th October 1872, No. 2086, I have the honour to state that the road from Checkanurany to Oosilampatti is a portion of the road from Madura to Oosilampatti, Andipatty, Chinnamanur, and the Cumbum valley. Nine miles of this line from Madura to Checkanurany and about thirteen miles from Oosilampatti to Andipatty have been made, but the rest still remains a cross country track. The piece now to be made will give thirty-five miles of continuous made road, and there is no doubt about the necessity of the work. It is scarcely a new work, but part of a long line of road which has been partly made and which must be finished as funds are available.

Submitted to Government in continuation of Board's Proceedings, 28th October 1872, No. 2086.
