*Proceedings of the Madras Government, Financial Department,
2nd June 1873.*

No. 3. Read the following letter from Major J. O. HASTED, R.E., District Engineer, Kistna District, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Vellatur, 10th May 1873, No. 18:—

With reference to G. O., No. 28, dated 5th March 1873, I have the honour to report that S. Sunjivee, Assistant Apothecary, reported that he assumed charge of the Department of Public Works Hospital at Bezwarah on the 1st instant, and to request instructions, first, regarding the source from which the moiety of his pay chargeable to Government is to be provided, and, second, whether he will be considered to be entirely under the orders of the Local Fund Board and not under the District Engineer. The present Hospital Assistant is paid from the yearly Anicut Repair Estimate, and he is entirely under the orders of the District Engineer, and available, in case of sickness or accident among the workpeople near Bezwarah, for duty outside the station. The medicines are paid for from the Anicut Repair Estimate, and issued gratuitously to all Government servants whose pay is less than 100 Rupees per month. I presume that it is intended, if Government is to provide Rupees 75 towards the pay of the Assistant Apothecary, that the same privileges as those now enjoyed by the subordinates of the Department of Public Works shall be continued to them, but I think the Local Fund Board will object to the Apothecary being called upon to quit Bezwarah to attend workpeople, even although his absence should not extend to more than one day at a time.

Transferred to the Financial Department.

Secretary to Government, P.W.D.

No. 4. ORDER THEREON, 2nd June 1873, No. 766.

The charge of Rupees 75 monthly, which the Government have agreed to bear on account of the Assistant Apothecary in charge of the Bezwarah Dispensary, will be borne half by Provincial and half by the Public Works Funds.

2. The Apothecary will no longer be under the orders of the Public Works Officers, and cases of out-patients of the Department must be brought to the dispensary for treatment, as the Assistant Apothecary will no longer be able to leave the station.

*Proceedings of the Madras Government, Public Works Department,
5th March 1873.*

Read the following papers:—

Proceedings of the Madras Government in the Financial Department, dated 20th February 1873, No. 251.

Proceedings of the Board of Revenue, dated 8th February 1873, No. 796 (Miscellaneous).

From the Acting President of the Local Fund Boards, Kistna, to the Secretary to the Board of Revenue, dated Masulipatam, 28th January 1873, No. 143.

THE Local Fund Board of Masulipatam Circle having, under contemplation, the establishment of a dispensary at Bezwada, has requested me to find out from Government, whether, in consideration of its paying half his salary, the Government will station there a 1st Class Assistant Apothecary, in lieu of the present 2nd Class Hospital Assistant, the *one* man to have charge, in future, of the Department of Public Works Hospital, and that to be founded by the Local Fund Board. I request that the proposition may be disposed of at an early date.

2. The Local Fund Board cannot afford to build a hospital on the scale laid down in Government Order,* but, for the present, patients will be treated in a building, which is to be erected by the town-people with the assistance of the Boards, to cost about 800 Rupees.

SUBMITTED for the orders of Government.

FORT ST. GEORGE,
10th February 1873.

From the Inspector-General of Hospitals, Indian Medical Department, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 13th February 1873, No. 45.

I HAVE the honour to re-enclose the marginal documents referred to me on the 10th instant.

Letter from President, Kistna Local Fund Board. 2. The Kistna Local Fund Board wish to re-place the 2nd Class Hospital Assistant at Bezwada by a 1st Class

Assistant Apothecary, and offer to pay half the salary of the latter, and I have the honour to recommend compliance with this request.

3. Government are now paying the salary of the 2nd Class Hospital Assistant attached to the Department of Public Works, and the employment in his place of a 1st Class Assistant Apothecary would add but little to the charge on Government,

Issuing orders as to the source from which the charge of Rupees 75 monthly, which the Government have agreed to bear on account of the Assistant Apothecary in charge of the Bezwarah Dispensary, should be met, and under whose orders the Apothecary should be placed.
