ABSTRACT.—Requesting sanction of Board to certain transfer of funds.

WITH the first of the foregoing letters, the President submits, agreeably to G. O., Financial Department, 19th April 1872, No. 541, a revised draft notification specifying the limits of the Local Fund Circles as constituted in that order and revised Local Fund Budgets for the current official year based on the new division of the district. It was first decided that the Nagaram Division should form part of the Ellore or Western Circle, but the advisability of transferring it to the Eastern or Cocanada Circle having been suggested by the Superintending Engineer, the Government concurred. The Collector has reported that the change is possible, and the revised budgets assume that it will be made.

G. O., R. D., 31st May 1872, No. 850.

2. The draft notification has been slightly modified by inserting the Nagaram Division in the Eastern Circle. This and the revised lists of members of the Local Fund Boards of the two Circles are submitted for the approval of Government.

3. With the sixth letter recorded above, Mr. Foster submits two memoranda, showing the alterations which should be made in the revised budgets consequent on the proposed transfer of the Nagaram Division, and in the eighth letter he states that the separation of the Local Fund Accounts of the Nagaram section of the Nursapur Taluq will occasion no serious inconvenience. The change, however, considerably reduces the income of the Ellore Circle, necessitating a corresponding curtailment of expenditure to preserve equilibrium.

4. The Road Fund balance calculated on the principles inculcated in G. O., Financial Department, 14th March 1872, No. 315, was entered by the President as Rupees 71,560 in the Cocanada Circle and Rupees 54,780 in the Ellore Circle Budgets. The former has been raised to Rupees 1,10,790 and the latter reduced to Rupees 15,550, by transferring the net receipts of previous years in the Nagaram Division, Rupees 39,230,* from the latter to the former Circle.

	RS.
* Total receipts	53,150
Do. expenditure	13,920
Total...	39,230

5. The Board of Revenue have taken this opportunity to include in the revised budgets the incomplete works of the past official year, of which lists are submitted with the second and fourth letters, as also to give effect to the transfer of funds recommended in the eleventh letter.

Proceedings of the Madras Government, Financial Department,
17th January 1873.

COCANADA CIRCLE.

6. STATEMENT I.-A., REVENUE AND RECEIPTS.—The total income is estimated at Rupees 3,96,910, as shown below:—

	RS.
1. Balances	1,11,560
2. Allotments from General Reserve...	33,970
3. Rates and Taxes	2,47,040
4. Endowments	4,200
5. Miscellaneous	140
Total...	3,96,910

7. The cess on land is Rupees 2,34,000 in this and Rupees 1,08,000 in the Ellore Circle, making in all Rupees 3,42,000. The amounts entered in the original budgets for this year, passed in G. O., Financial Department, 23rd March 1872, No. 353, aggregate only Rupees 2,86,360. The President anticipates that the greater part of the demand for 1871-72 which was not realized in that year, and the cess on Zemindari and Inam lands which was not settled, will be brought to account this year.

8. *House-tax.*—It is observed that the number of Unions provided for in the revised budgets is 240, of which 52* are old Rate Schools, 4 Salary Grant-in-aid Schools, and the remainder, 184, Lower Class Schools. A report regarding these schools was submitted to Government with the Board's Proceedings, dated 7th March 1872, No. 423. The levy of house-tax in 50 Rate Schools and 1 Salary Grant-in-aid School has been authorized in G. O., Financial Department, dated 22nd March 1872, No. 345. The requisite draft notifications for the levy of the tax in the remaining Unions should be submitted without delay.

* Middle Class Rate Schools	...	3
Lower do. do.	...	49
Total...		52

9. No contributions from the Cocanada and Rajahmundry Municipalities on account of Educational Inspection are entered. The Board of Revenue have inserted Rupees 690, which appears in the Rajahmundry Circle Original Budget as the share payable by the Rajahmundry Municipality. The President will report the sum which the Cocanada Municipality should pay. With this addition the estimated receipts became Rupees 3,97,600.

10. The receipts under endowments appertain to the Peddapur and Wontimamiddi Chuttrums made over to the Circle Board in G. O., Financial Department, dated 3rd August 1872, No. 1,030.

11. STATEMENT I.-B., EXPENDITURE.—The total proposed expenditure amounts to Rupees 2,56,580, and is as follows:—

	RS.
Grant I.	1,90,150
Do. II.	21,910
Do. III.	31,390
Do. IV.	13,130
Total...	2,56,580

12. GRANT I., PUBLIC WORKS.—The total cost of the Public Works Department general establishment provided for in the original budgets of the two Circles is Rupees 57,970. By apportioning this amount with reference to the proposed expenditure by the Department of Public Works agency, the Cocanada Circle must be debited with Rupees 35,100 and the Ellore Circle with Rs. 22,870.

13. The cost of petty establishment has been apportioned between the Circles in the ratio of the proposed expenditure on works, Rupees 4,760 being entered in the Cocanada Circle Budget and Rupees 3,100 in that of the Ellore Circle. The President will, in communication with the Superintending Engineer, re-distribute the petty establishment between the two Circles and report the details thereof to the Board.

14. STATEMENT II., ROAD FUND RECEIPTS AND EXPENDITURE.—The cost of the Department of Public Works general establishment shown under Grant I. is repeated in Statement II. This is wrong, there being works to be executed from other than the Road Fund. The proper amount has now been inserted.

15. A contribution of Rupees 10,000 from the funds of this Circle to Ellore, apparently for the Ellore and Hydrabad road, is entered. The contribution appears in the original budget also.

16. The Road Fund Reserve should be Rupees 18,970.

The total amount of the grant will thus be Rupees 2,21,690.

17. STATEMENT II.-A., PART I., NEW WORKS.—Part I. has been revised in this office by the inclusion of incomplete works. The revised list contains twenty-two items with an aggregate allotment of Rupees 1,17,300. None of these call for remark.

18. PART II., REPAIRS.—Part II. as revised contains ten items with a total assignment of Rupees 33,930. The provision of Rupees 310 for deepening a drinking water tank at Durgada in the President's budget has been struck out, as it should be met from the large sum of Rupees 20,000 entered in Statement IV.-B.

19. APPENDIX TO PART II.—In this list an allotment of Rupees 3,300 is provided for the completion of the repairs to the Choultry at Peddapur. This is out of place, and has accordingly been transferred to Part II.

20. GRANT II., EDUCATION.—The charges under this grant are :—

		Rs.
1.	Payment for inspection	2,840
2.	Training Schools	1,110
3.	Union do.	12,960
4.	Portion of salaries due to Union School Teachers for past years	1,000
5.	Result Grants	4,000
	Total	21,910

21. The provision for inspection in these revised budgets aggregates Rupees 5,440, which is only Rupees 80 less than the amount* entered by the Board in the passed budget for this year which was intended to cover the cost of two Deputy-Inspectors and four Inspecting Schoolmasters. The correct amounts have been inserted.

	Rs.
* Cocanada Circle	2,760
Rajahmundry Circle	2,760
	5,520

22. The scheme for training Schoolmasters for Unions at an annual cost of Rupees 2,220 has been sanctioned by Government* experimentally for one year. One half of the cost or Rs. 1,110 is provided in the budget of each Circle.

* G. O., Financial Department, 20th July 1872, No. 931.

The grant will be Rupees 21,830.

23. GRANT III., SANITATION.—This grant comprises the following charges :—

		Rs.
1.	Hospitals	...
2.	Vaccination	1,770
3.	Employment of Medical Practitioners	5,000
4.	Sanitary establishments	20,000
5.	Choultries	3,300
6.	Contributions	1,070
7.	Travellers' Bungalows	250
	Total	31,390

24. The sums provided in the revised budgets for vaccination amount to Rupees 2,940, which is Rupees 140 in excess of the provision† made in the original budgets. The excess is, it is believed, intended to meet the salaries of five temporary Vaccinators employed by the Cocanada Circle Board at the instance of the Inspector-General of Hospitals, in consequence of the prevalence of small-pox.

	Rs.
† Cocanada Circle	1,630
Rajahmundry Circle	1,170
	2,800

Board's Proceedings, dated 26th June 1872, Miscellaneous No. 4,502.

25. The third item is half the cost of a scheme for training and employing Medical Practitioners in the district, who are to be both Medical men and Vaccinators. The attention of the President is called to paragraph 2 of the Board's Proceedings, dated 10th June 1872, No. 945, from which it will be seen that the question is still unsettled. It is better, therefore, to wait until a scheme for general adoption is decided upon. The provisions in both the budgets are struck out, and the amounts entered in the original budget of the Cocanada Circle for itinerating doctors and medicines are inserted.

26. The fourth item is a lump sum for excavating and repairing tanks and wells, to avert the distress experienced from the scarcity of water. The amount is large and some details ought to have been furnished.

27. The fifth item is the cost of the Peddapur and Wontimamiddi Choultries. A sum of Rupees 310 from the funds of the former is to be spent upon the repairs of the Rajahnagram Choultry. In their order, Revenue Department, dated 18th February 1864, No. 293, the Government sanctioned an endowment to the latter choultry of waste land of the annual value of Rupees 40. This order was overlooked and not acted upon as explained by the Collector in his letter, dated 12th June 1871, No. 203, in which he promised to carry it out. The attention of the Collector is again called to the

Recorded in Board's Proceedings, dated 8th July 1871, No. 2,808.

subject, and he will report at once what steps have been taken for assigning the sanctioned endowment to the choultry. He will also submit an application for the transfer of this institution to the Local Board. As the choultry is not yet endowed, its exhibition in Statement IV. is wrong, and it has accordingly been struck out.

28. The contribution to the Municipality of Cocanada for the Civil Dispensary has been raised to the amount entered in the original budget, in the absence of any explanation of the reduction. Agreeably to the request contained in the fifth letter, Rupees 1,190 have been entered as the contribution payable to the Rajahmundry Municipality for the Civil Dispensary at that place.

Grant III. will be Rupees 29,510.

29. Grant IV., Miscellaneous.—There are five items exhibited under Grant IV. The first two have been altered in this office. The fifth item, Rupees 10,500, is the cost of constructing six wooden boats for use in connection with Local Fund works, sanctioned in Board's Proceedings, dated 5th June 1872, No. 906, out of the unexpended balance of the Road Fund. It has now been transferred to Part I. of the budget and to Grant I.

30. Regarding the contribution from the Ellore Circle for the Nagaram project referred to in the sixth and tenth letters, the Board will record their opinion when the estimate for it, which is now before them, is submitted to Government.

31. The following is an abstract of the budget as altered in this office :—

ELLORE CIRCLE.

32. Statement I.-A., Revenue and Receipts.—The exclusion of the Nagaram Division from this Circle reduces its assets to Rupees 2,03,690, as follows :—

		Rs.
1.	Balances	18,920
2.	Allotments from General Revenue	36,950
3.	Rates and Taxes	1,36,410
4.	Contributions from the other Circle	10,000
5.	Miscellaneous	1,410
	Total...	2,03,690

33. Under Rates and Taxes a sum of Rupees 7,580, being the balance of cess levied under Act VI. of 1863, on account of the existing rate Schools now transferred to the Local Fund Board which had been deposited in the Savings' Bank is entered. Its proper place in the statement is under "6, Receipts from Endowments, etc.," and against the heading "Educational." It has been transferred accordingly.

34. At the foot of the statement another sum of Rupees 1,310 is shown, which being the balance of *closed* Rate Schools should also appear against the item mentioned in the preceding paragraph.

35. Statement I.-B., Expenditure.—The proposed expenditure as reduced by the President is as follows :—

		Rs.
Grant	I...	1,19,940
Do.	II...	23,810
Do.	III...	20,370
Do.	IV...	1,320
	Total...	1,65,440

36. Grant I., Public Works, Statement II., Road Fund Receipts and Expenditure.—When the President in his letter, dated 17th July 1872, No. 220, proposed alterations in the revised budgets with reference to the transfer of the Nagaram Division, he had not before him the expenditure incurred in previous years in that division, and consequently a smaller share of the old District Road Fund balance than the Ellore Circle was entitled to, was assigned to it. The Road Fund income of the Circle was thus diminished, and to meet the diminution the President proposed a reduction of Rupees 30,000 in the allotments for New Works which had been entered in the budget. The past expenditure of the Nagaram Division having since been ascertained to be Rupees 13,920, the Road Fund assets are raised by that amount. The Board have further increased them by an additional appropriation of Rupees 7,000 from the one-third Land Cess. By these additions a reduction in the proposed expenditure of only Rupees 14,000 in lieu of Rupees 30,000 is all that is necessary.

37. Statement II.-A., Part I., New Works.—There are twelve Road Fund works with an aggregate allotment of Rupees 92,250 entered in this statement. The President proposed a reduction of Rupees 30,000, the particulars of which

are given in the tenth letter consisting of the full allotments (Rupees 5,000 in each case) for the 3rd, 4th, 5th, 6th, and 7th items, and one half of the allotment (Rupees 10,000) for the 12th item. The Board have reduced the allotments in each of the first five cases by only Rupees 1,800. Items No. 3 to 7 are unsanctioned. Their estimates were returned to the President with the Board's Proceedings marginally noted. He will expedite their re-submission.

Board's Proceedings, dated 30th December 1871, Miscellaneous No. 4,796.
Board's Proceedings, dated 18th October 1871, No. 4,418.

38. PART II., REPAIRS.—Under Repairs, it is proposed to lay out Rupees 15,450 on roads, Rupees 1,500 on avenues, and Rupees 150 on Travellers' Bungalows.

Grant I. as revised is Rupees 1,38,090.

39. GRANT II., EDUCATION.—The following charges are entered under this grant:—

		Rs.
1.	Payment for inspection	2,600
2.	Training Schools	1,390
3.	Union do.	14,760
4.	Portion of salaries due to Teachers of Union Schools for past year	2,720
5.	Grants-in-aid	2,340
	Total...	23,810

40. The Local Fund Board propose to charge the fourth item to the General Fund losing sight of the Board's remarks in paragraph 21 of their Proceedings recorded in G. O., Financial Department, dated 23rd March 1872, No. 353, to the effect that a portion should be met by Union Funds. The President will report upon the matter.

The revised grant is Rupees 23,970.

41. GRANT III., SANITATION.—The expenditure under this grant is classified as follows:—

		Rs.
1.	Hospitals	...
2.	Vaccination	1,170
3.	Medical Practitioners	5,000
4.	Sanitary Establishment	14,000
5.	Cost of establishment and contingencies of Travellers' Bungalows	200
		20,370

42. The third item has been omitted for the reasons stated in paragraph 25 of these Proceedings.

43. No details are given for the fourth item. The President will furnish them.

44. GRANT IV., MISCELLANEOUS.—The necesssry alterations under Grant IV. have been made by the Board.

No. 96. ORDER THEREON, 17th January 1873, No. 78.

With their Proceedings above recorded, the Board of Revenue submit a Draft Notification and Budgets for 1872-73 for the Local Fund Circles, Godavery District, revised in accordance with the Orders of Government dated 19th April and 31st May 1872, directing a re-distribution of the area of the circles.

2. The Draft Notification will be amended as proposed by the Board of Revenue, and published in the *Fort St. George Gazette* in supersession of that previously issued. The revised lists of members are also approved and will be notified. The estimates of receipts and charges, as modified by the Board of Revenue, are sanctioned. The Government observe, however, that no reason is given for the reduction of the total charge for Petty Establishment in the two circles from Rupees 7,890 to Rupees 7,860, and of the charge for the cost of Controlling Establishment from Rupees 1,780 to Rupees 1,770. The Union Budgets contain proposals for the establishment of 111 unions in the Cocanada Circle and 139 in the Ellore Circle, making 240 in all, against 170 included in the Original Budget. The establishment of fifty-one unions was permitted in G. O., dated 22nd March 1872, No. 345, and the Government learn from the Board's Proceedings of the 7th March 1872, No. 423, that 119 new schools have been opened in anticipation of sanction. The

Government will permit the budget to stand as submitted, and will not interfere with the working of the schools which have been already commenced, but it must be distinctly understood that the mere inclusion of the other schools in the sanctioned budget does not authorize their establishment until after the issue of the Notification required by law for the levy of the house-tax.

3. The Government observe that the schools belonging to the Nagaram Division are entered in the amended budget as belonging to the Amalapur Taluq. G. O., dated 31st May 1872, No. 150, did not, however, interfere with the distribution of the district into taluqs, and the Nagaram Division still forms a part of the Nursapur Taluq, though attached to the Eastern Local Fund Circle.

DRAFT NOTIFICATION.

In supersession of the notification issued in page 691 of the *Fort St. George Gazette* of the 9th May 1871, His Excellency the Governor in Council, under Section 3 of the Madras Local Funds Act of 1871, hereby declares the parts of the Godavery District specified in the annexed statement to be circles within the meaning of the said Act, and directs that the Act shall have effect in the said circles from the commencement of the current official year 1872-73. The rate of cess to be levied in each circle, under Section 36 of the Madras Local Funds Act, from and after 1st April 1872, will be that specified in the last column of the statement hereto annexed :—

division of the Disbrict. It was first decided that the Nagarum Division should form part of the Ellore or Western Circle, but the advisability of transferring it to the Eastern or Cocanada Circle having been suggested by the Superintending Engineer, the Government concurred. The Collector has reported that the change is possible and the revised budgets assume that it will be made.

G.O. R.D. 31st May 1872 No. 850.

2. The draft Notification has been slightly modified by inserting the Nagarum Division in the Eastern Circle. This and the revised lists of Members of the Local Fund Boards of the two circles are submitted for the approval of Government.

3. With the sixth letter recorded above, Mr. Foster submits two Memoranda, showing the alterations which should be made in the revised Budgets consequent on the proposed transfer of the Nagarum Division and in the eighth letter he states that the separation of the Local Fund accounts of the Nagarum section of the Nursapur Talook will occasion no serious inconvenience. The change however considerably reduces the income of the Ellore Circle necessitating a corresponding curtailment of expenditure to preserve equilibrium.

4. The Road Fund balance calculated on the principles inculcated in Government Order Financial Department 14th March 1872, No. 315, was entered by the President as Rupees 71,560 in the Cocanada Circle and Rupees 54,780 in the Ellore Circle Budgets. The former has been raised to Rupees 1,10,790 and the latter reduced to Rupees 15,550 by transferring the

the net receipts of previous years in the Nagarum Division Rupees 39,230, from the latter to the former Circle

The amounts entered in the original Budgets for this year passed in Government Order Financial Department 23rd March 1872, No. 353, aggregate only Rs. 2,86,360. The President anticipates that the greater part of the demand for 1871-72 which was not realized in that year and the cess on zemindari and Inam lands which was not settled will be brought to account this year.

8. House tax It is observed that the number of Unions provided for in the revised Budgets is 240, of which x 52 are old Rate schools, 4 Salary grant-in-aid schools, and the remainder, 184, lower class schools. A report regarding these schools was submitted to Government with

with the Board's Proceedings dated 7th March 1872, No. 423. The levy of House-tax in 50 Rate schools and one salary grant-in-aid school has been authorized in Government Order Financial Department dated 22nd March 1872, No. 345. The requisite draft notifications for the levy of the tax in the remaining Unions should be submitted without delay.

9. No contributions from the Cocanada and Rajahmundry Municipalities on account of Educational Inspection are entered. The Board of Revenue have inserted Rupees 690, which appears

The cost of Petty Establishment has been apportioned between the Circles in the ratio of the proposed expenditure on works Rupees 4760 being entered in the Cocanada Circle Budget and Rupees 3,100 in that of the Ellore Circle. 18. Part II as revised contains 10 items with a total assignment

of

of Rs 33,930. The provision of Rs 310 for deepening a drinking water tank at Durgoda in the President's Budget has been struck out, as it should be met from the large sum of Rs 20,000 entered in statement IV B.

19. In this list an allotment of Rs 3,300 is provided for the completion of the repairs to the Choultry at Paddapur. This is out of place and has accordingly been transferred to Part II. Appendix to Part II.

Board's Proceedings dated 26th June 1872, Miscellaneous 4500.

25. The third item is half the cost of a scheme for training and employing Medical practitioners in the District, who are to be both medical men and Vaccinators. The attention of the President is called to para 2 of the Board's Proceedings dated 10th June 1872, No 945, from which it will be seen that the question is still unsettled. It is better, therefore, to wait until a scheme for general adoption is decided upon. The provisions in both the Budgets are struck out and the amounts entered in the original Budget of the Cocanada Circle for remunerating doctors and medicines are inserted.

26. The fourth item is a lump sum for excavating and repairing tanks and wells, to avert the distress experienced from the scarcity of water. The amount is large and some details might to have been furnished.

27. The fifth item is the cost of the Peddapur and Wontimamidi Choultries. A sum of Rs 310 from the funds of the former is to be spent upon the repairs of the Rajahmundry Choultry. In their order, Revenue Department, dated 18th February 1864, No 293, the Government sanctioned an endowment to the latter choultry of waste land of the annual value of Rs 40. This order was overlooked and not acted upon as explained by the Collector in his letter dated 12th June 1871, No 203, in which he

Recorded in Board's Proceedings dated 8th July 1871, No 2808.

he promised to carry it out. The attention of the Collector is again called to the subject and he will report at once what steps have been taken for assigning the sanctioned endowment to the Choultry. He will also submit an application for the transfer of this institution to the Local Board. As the Choultry is not yet endowed, its exhibition in statement IV is wrong and it has accordingly been struck out.

28. The contribution to the municipality of Cocanada for the Civil Dispensary has been raised to the amount entered in the original

original budget, in the absence of any explanation of the reduction. Agreeably to the request contained in the fifth letter, Rs 1,190, have been entered as the contribution payable to the Rajahmundry Municipality for the Civil Dispensary at that place.

Grant III will be Rs 29,570.

Grant IV Miscellaneous

29. There are five items exhibited under Grant IV. The first two have been altered in this office. The fifth item, Rs 10,500, is the cost of constructing six wooden boats for use in

in connection with Local Fund Works, sanctioned in Board's Proceedings dated 5th June 1872, No. 906, out of the unexpended balance of the Road Fund. It has now been transferred to Part I of the Budget and to Grant I.

30. Regarding the contribution from the Ellore Circle for the Nagram project referred to in the sixth and tenth letters the Board will record their opinion when the Estimate for it, which is now before them, is submitted to Government.

Under Rates and Taxes, a sum of Rupees 7,580, being the balance of Cess levied under Act VI of 1863 on account of the existing Rate schools, now transferred to the Local Fund Board, which had been deposited in the Savings' Banks is entered. Its proper place in the Statement is under "6 Receipts from Endowments &c." and against the heading "Educational." It has been transferred accordingly.

34. At the foot of the Statement another sum of Rupees 1310 is shewn, which, being the balance of closed Rate schools, should also appear against the item mentioned in the preceding para.

36. When the President in his letter dated 17th July 1872, No. 220, proposed alterations in the revised Budgets with reference to the transfer of the Nagaram division, he had not before him the expenditure incurred in previous years in that division, and consequently a smaller share of the old District Road Fund balance than the Ellore Circle was entitled to, was assigned to it. The Road Fund income of the Circle was thus diminished, and to meet the diminution, the President proposed a reduction of Rupees 30.000 in the allotments for New Works which had been entered in the Budget. The past expenditure of the Nagaram division having since been ascertained to be Rupees 13.920, the Road Fund assets are raised by that amount. The Board have further increased them by an additional appropriation of Rupees 7.000 from the

the one-third Land cess. By these additions a reduction in the proposed expenditure of only Rupees 14.000, in lieu of Rupees 30.000, is all that is necessary.

37. There are 12 Road Fund works with an aggregate allotment of Rupees 92.250 entered in this Statement. The President proposed a reduction of Rupees 30,000, the particulars of which are given in the tenth letter, consisting of the full allotments (Rupees 5.000 in each case) for the 3rd, 4th, 5th, 6th, and 7th items, and one half of the allotment (Rupees 10.000) for the 12th item. The Board have reduced the allotments in each of the first five cases by only Rupees 1800. Items Nos. 3 to 7 are unsanctioned. Their Estimates were returned to the President with the Board's Proceedings marginally noted. He will expedite their resubmission.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following ~~letter~~ Proceedings of the Board of Revenue, dated 25th October 1872.

Order thereon 17th January 1873. N° 78.

With their Proceedings above recorded the Board of Revenue submit a Draft Notification and Budgets for 1872-73 for the Local Fund Circles, Godavery District, revised in accordance with the Orders of Government dated 19th April and 31st May 1872, directing a redistribution of the area of the Circles.

2. The Draft Notification will be amended as proposed by the Board of Revenue,

and

and published in the Fort Saint George Gazette in supersession of that previous-ly issued. The revised lists of members are also approved and will be notified. The estimates of receipts and charges as modified by the Board of Revenue are sanctioned. The Government observe, however, that no reason is given for the reduction of the total charge for Petty Establishment in the two circles from Rs 7890 to Rs 7860, and of the charge for the cost of controlling establishment from Rs 1780 to Rs 1770. The Union Budgets contain proposals for the establishment of 111 Unions in the Cocanada circle, and 139 in the Ellore

Ellore Circle making 240 in all, against 170 included in the original budget. The establishment of 51 Unions was permitted in G. O. dated 22nd March 1871. No 345, and the Govt learn from the Board's proceedings of the 7th March 1872, No 423, that 119 new schools have been opened in anticipation of sanction. The Govt will permit the budget to stand as submitted and will not interfere with the working of the schools which have already commenced, but it must be distinctly understood that the mere inclusion of the other schools in the sanctioned budgets does not authorize their establishment

establishment until after the issue of the Notification required by law for the levy of the house tax.

3. The Govt observe that the schools belonging to the Nagaram Division are entered in the amended budget as belonging to the Amlapur Taluq. G.O. dated 31st May 1872, No 150, did not however interfere with the distribution of the District into taluqs and the Nagaram Division still forms a part of the Nursapur taluq though attached to the Eastern Local Fund Circle.
