I have the honour to forward estimates of the sums proposed to be raised and expended in the Municipality of Calicut during the year 1873-74.

2. The estimates of the Palghaut Municipality will be forwarded as soon as they are received.

No. 76. ORDER THEREON, 10th June 1873, No. 808.

The following abstract shows the estimate of the Calicut Municipality for 1873-74 compared with those for 1872-73 :—

2. The decrease under rates on houses is owing to there being no arrear demand for 1873-74. Under Profession-tax the current demand is Rupees 2,000 in excess of that for 1872-73. This should be explained. In Statement I. there is an entry of Rupees 2,800 as municipal contribution. It is obvious that such a contri-

bution cannot form an item of municipal receipts, and the total of Statement I. must, therefore, be reduced by that amount, and arrangements made by the Commissioners for a corresponding reduction in the expenditure. The only place in which the municipal contribution to the dispensary should appear is in column 12, Statement I.-A, in the shape of a deficit balance, which in the present instance is Rupees 2,703, as per margin. No entry appears in this budget corresponding with the contribution of Rupees 950 shown in the Local-Fund Budget of the Calicut Circle under the head of Public Works. The contribution for Training Schools and Educational Inspectorate must be revised with reference to G. O., dated 24th May 1873, No. 727. Some explanation should have been given with reference to the proposed increase of nearly Rupees 2,000 in the expenditure on account of the Civil Dispensary. The other items of expenditure call for no remark, and the budget is passed subject to the remarks above made.

3. The Profession-tax must be dispensed with in framing the budget for 1874-75, and the Government trust that it may be found possible to do so by a reduction in the expenditure rather than by proposals for an increase of other taxes.

NOTIFICATION.

Under the provisions of Section 38, Act III. of 1871 (The Towns' Improvement Act), the Governor in Council authorizes the Municipal Commissioners for the Town of Calicut, in the Malabar District, to levy, during the year beginning 1st April 1873 and ending 31st March 1874—

A tax upon arts, professions, trades, and callings.
Tolls on carriages, carts, and animals entering the municipal limits.
Taxes on carriages, horses, and other animals as described in Schedule C to the above Act annexed.

The decrease under Ratis on Houses is owing to there being no arrear demand for 1873-74. Under Profession

and arrangements made by the Commissioners for a corresponding reduction in the Expenditure

Profession tax the current demand is Rs 2000 in excess of that for 1872-73. This should be explained. In Statement I there is an entry of 2800 as Municipal Contribution. It is obvious that such a contribution cannot form an item of Municipal receipts and the total of Statement I must therefore be reduced by that amount. The only place in which the Municipal contribution to the Dispensary should appear is in Column 12 Statement I A in the shape of a deficit balance which in the present instance

instance is Rupees 2,703
as per margin. No entry
appears in this budget
corresponding with the
contribution of Rupees 950
shown in the Local Fund
Budget of the Calicut
Circle under the head of
Public Works. The contri-
bution for Training Schools
and Educational Inspec-
torate must be revised
with reference to G.O. dated
24th May 1873 No. 727. Some
explanation should
have been given with
reference to the proposed
increase of nearly Rs. 2000
in the expenditure on
account of the Civil
Dispensary. The other
items of expenditure call
for no remarks and the
Budget is passed subject
to the remarks above
made.

made.

The Profession tax must
be dispensed with in
framing the budget for
1874-75 and the Govern-
ment trust that it may
be found possible to do
so by a reduction in the
expenditure rather than
by proposals for an
increase of other taxes.
