No. 98. Read the following letter from W. McQUHAE, Esq., President of the Local Fund Board, Madura, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Shembaganore, 1st June 1873, No. 298:—

With reference to G. O., Public Department, dated 13th January, No. 41, I have the honour to report that the cost of maintaining the existing dispensary for out-patients at Paumben is now Rupees 100 a month, and that it is impossible to estimate the cost of establishing a regular civil dispensary for in and out patients until the Local Fund Board are informed whether Government will give a portion of the old jail building (comprising the present hospital, compounding-room, cook-houses, granary, guard-rooms, jailer's quarters, and gardens) for use as a dispensary building. I presume this is sanctioned in the Order above referred to, and it is one of the conditions on which the Local Fund Board proposed to incur the heavy expense of maintaining a regular civil dispensary at Paumben. No additional assistance can be obtained from the Rameshwaram Temple.

No. 99. ORDER THEREON, 13th June 1873, No. 828.

As the convicts have been removed from Paumben, the Governor in Council has no objection to the allotment of a portion of the old jail buildings for use as a dispensary. The Collector will submit a sketch-plan of the buildings, and explain what portion he requires and how the rest is proposed to be used.
