The Government of India, in the Financial Department, having allowed subscriptions and premia to the Provident Branch of the Uncovenanted Service Family Pension Fund to be realized through Government Treasuries, I have the honour to request that you will issue the requisite instructions on the point to Treasury Officers under your control.

2. The Provident Branch alluded to will include deferred annuities and insurance fund, and the Government will pay interest on the balance of the first at $3\frac{3}{4}$ per cent., and on the balance of the second at $4\frac{1}{2}$ per cent. per annum. There will thus be three sub-divisions under Uncovenanted Service Family Pension Fund, and you will be good enough to open corresponding columns in your Certified Lists of Subscriptions to that Fund.

3. Should any subscriptions and premia on account of the new Branch have been received, but credited to the general fund head as before, you will rectify the error in your accounts for March 1873, on the principle pointed out, and forward revised Certified Lists, so that similar corrections may be made in the Treasury Account Branch of this Office.
