Proceedings of the Madras Government, Financial Department,
13th *June* 1873.

No. 113. Read the following Proceedings of the Board of Revenue, dated 29th April 1873, No. 2576 (Miscellaneous) :—

Read the following letters :—

From W. S. WHITESIDE, Esq., Acting Collector and President of the Local Fund Board, North Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Chittoor, 20th November 1872, No. 605.

I have the honour to forward copy of paragraph 7 of the Minutes of Proceedings of the Chittoor Local Fund Board, dated 12th November 1872, and to request that, under the circumstances therein explained, the Board will be pleased to move Government to appoint an additional Hospital Assistant of the 3rd Grade to be attached to the Civil Dispensary at Chittoor and paid from Provincial Funds, as the Local Funds are just now so impoverished as to be unable to bear the additional cost.

From W. S. WHITESIDE, Esq., Acting Collector and President of the Local Fund Board of North Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Chendragherry, 8th February 1873, No. 82.

I have the honour to invite the Board's attention to my letter of the 20th November last, No. 605, and to request that they will be pleased to favour me with an early reply.

2. In that letter I requested that Government might be moved to appoint a Hospital Assistant of the 3rd Grade to be attached to the Civil Dispensary at Chittoor and paid from Provincial Funds. In modification of that arrangement, I beg leave respectfully to propose that Government be pleased to share half of the salary of the subordinate medical officer attached to the Civil Dispensary at Chittoor. I make this proposal, as I did the former one, on the grounds that the Local Funds are so embarrassed that they are scarcely adequate for present requirements, and the time of the Hospital Assistant is in great part taken up by attendance on the sick in the Police Hospital.

In the first of the foregoing letters the President sought the sanction of Government for the appointment of an additional Hospital Assistant of the 3rd Grade to the Civil Dispensary at Chittoor, to be paid from Provincial Funds for the treatment of the Police Department in a separate building set apart as a Police Hospital.

2. In the second letter the President, in modification of the above arrangement, suggests that Government may be requested to share half the salary of the medical subordinate attached to the dispensary, in consequence of the embarrassed condition of the Local Funds of the Circle, and as a great part of his time is taken up in attending on the sick in the Police Hospital.

3. The Board recommend the latter proposal for the approval of Government.

in the Police Hospital.

In G.O. 3/15th March 1872 the Govt admitted that Provincial funds should contribute where the benefit of Provincial services is a main reason for the location of a medical subordinate of a particular class at a particular station - but added

"As however Hospital Assistants are the lowest class of medical officers to whom a dispensary could be entrusted, the Govt are of opinion that it would in practice be fair to rule that there should be

exertion of distributing charge only where Native Surgeons or Apothecaries are entertained."

In G.O. 3/25th March 1873 Ed 397 the Govt in fixing the Provincial contribution for Native Surgeons and Apothecaries at 25 per cent. added

"The Govt will also be prepared to consider proposals for the extension of this contribution to Municipalities in which Medical officers of a lower grade are employed, in the event of its being shown that their services are required to an appreciable extent by Govt servants or pensioners."

Such would appear to be the case at Arcot - and the only question now for consideration is the proportion
