Miscellaneous No. 2036. Revenue Department

Proceedings of the Board of Revenue
Dated 4th April 1873.

Read the following:—

No. 78

From

W. D. Horsley Esquire
President, Local Fund Board,
Cuddapah

To

J. Gross Esquire
Secretary to the Board of Revenue
Madras

Sir,

With reference to para 16 of the Board's Proceedings dated 7th February 1873 No. 173, striking off from the next years' Local Fund Budget of this Circle contribution of Rs. 800 to the Cuddapah Municipality for the Civil Dispensary in addition to the amount provided in the current Years' Budget I have the honor to report that on a careful Examination at a meeting held on 23d October 1872, the Local Fund Board passed a resolution to contribute to the Cuddapah Municipality

Budget for 1872-73 - Rs. 1600
Budget for 1873-74 — 2400.

Municipality half the whole cost as the Dispensary is not established solely for the Town of Cuddapah but also for the 7 Talugs that comprise the Circle. The proposed Dispensary at Proddatoor will supply the wants of 3 Talugs leaving the remaining 4 Talugs still dependent upon the Cuddapah Dispensary.

2. The total expenditure on account of the Institution in 1872-73 as it is stated in para 4 of the resolution of the Commissioners of Cuddapah Municipality dated 12th October 1872 published as a supplement to the District Gazette No 22 dated 2nd November 1872 is Rs 6142. After deducting the amount of Rs 1530 the annual Interest on the Invested capital, there is a balance of Rs 4612 to be met from the funds of the Municipality and of the Local Fund Board. The Local Fund Board considered that they were liable to pay at least half of that sum, and the provision of Rs 2400 in the Budget of 1873-74 only just exceeds the half.

3. The accounts of the Cuddapah Municipality as well as those of the Treasury Department show that the Invested Capital of the Municipality Dispensary is Rs 34,000 which at 4½ per Cent yields Rs 1530 per annum. The Board of Revenue state "the interest on invested Capital" to be Rs 3470 which is apparently a clerical error that has vitiated the calculations.

4. Under these explanations, I have the honor to request that the Board of Revenue will be good enough to obtain the sanction of Government to allow the item to be retained (the Contribution of Rs 2400) as the Local Fund Board consider it to be fair.

This was overlooked in submitting the amended Budget orders on the Cuddapah Local Fund Budget. - The increase seems to be satisfactorily explained and it has been passed in the Municipal Budget. -
This can be passed.
