From,

BELLARY.

To,

The Chief Secretary to Government
Madras

Sir.

I have the honor to request Sanction to the bye-law as per margin, proposed by the Bellary Municipal Commissioners

- ays written notice given to the owner
- r of any house he shall be bound
- ny rain water spouts in such a manner
- but the discharge of water upon any
- ad: Disobedience to be punishable
- ed by Section 163 of Act III of 1871.

2. The necessity for such a Bye law arises from the fact that many roads in the town, when put in repair by the Commissioners are again damaged to a serious extent by the water spouts discharging the rain water from the roofs.

3. No provision of the Municipal Act appears to meet the case, so the Commissioners though reluctantly propose another bye law.

I have the honor to be,
Sir,
Your most Obedient Servant
