Dated Chittapore, 11th June, 1873.

Sir,

The Municipal Commissioners of Chicacole propose with the permission of Government to take charge of the space formerly used as the Military parade ground and to utilize it by renting out the right of grazing cattle thereon - The ground is situated in the middle of the town within the Municipal limits and is surrounded by various public and private buildings as per accompanying Sketch -

2. Chicacole has long ceased to be a military station; and I think that there can be no objection to the Municipal Commissioners' proposal provided they keep it open as it is now - No Buildings should be erected on it - It might be planted out as a public square.

I have the honour to be
